Dear Bruce

Following the recent meeting of Henham Parish Council on 3 May 2012, I am writing to give the parish council's official response to the Henham Conservation Area Appraisal Consultation.

Firstly, the council would like to congratulate you on the very professional and informative presentation of the proposals to the villagers via the excellent, detailed document and the public exhibition.

From the council's collective perspective, it was felt that the main requirement was to maintain as much "open space" within the conservation boundary, as possible. To this end, the council would like to state that, with respect to the areas proposed for revision, the following should be retained within the conservation boundary:-

1. The field to the west of Bacons Farm
2. The field to the east of Halls Close

Once again, thank you for all your hard work in the production of the Management Proposals and I would be grateful if you could advise me of the outcome of the consideration of the parish council's response.

Yours sincerely,

Philip Dondi  
Clerk, Henham Parish Council
