Title: The Corporate Plan 2015-20 and Corporate Risk Register

Author: Cllr Rolfe

Item for decision

Summary

1. The corporate plan is updated annually, and because it is a 5-year plan, is subject to incremental change. The key themes are: High Quality, Low Tax, Responsibility and Thriving Communities. The Plan retains its simplicity by being presented on a single page, with the overall goal of the Council now being "The High Quality and Low Tax Council". The Corporate Plan and Risk Register was approved by Cabinet on 17 February 2015.

Recommendations

2. That the draft Corporate Plan for 2015-20 and Corporate Risk Register be approved.

Financial Implications

3. Any financial implications resulting from actions or projects in the corporate plan are identified in the budget, MTFs and divisional plans

Situation

6. The corporate plan sets out the priorities for the council over the next 12 months and beyond. These priorities were identified through contemporaneous consultation over the budget and are among the issues that matter most to the community. The plan builds on the directions set in the previous Corporate Plan but also seeks to address the priorities of central government.
7. From 2007 to 2013 the Council focused on four priorities - finance, partnerships, people and environment. In 2013 these were subsumed within the new priorities of low taxation, high quality, responsibility and prosperity, with the overall goal being "The Low Tax High Quality Council", and this continued into 2014. These themes are now slightly changed for the 2015 Plan, with "prosperity" replaced by "Thriving communities", and the strapline reconfigured to place "high quality" ahead of "low tax".
8. The Council continues to have an enviable record. For example, over the last year, Council Tax was cut by 2%, and a further cut of 3% is proposed this year. Indeed there has not been a Council Tax increase in Uttlesford since 2010. Uttlesford remains among the very best places to live in national surveys and, yet again, we have one of the best financial settlements of any

council in the country. Both are clear endorsements of the “High Quality, Low Tax” standards to which we aspire.

9. The Government’s priority is focused on encouraging economic growth. The new plan reflects the Council’s response to this challenge by enhancing actions under the theme of thriving communities, including playing a greater role in the South East Local Enterprise Partnership, Greater Cambridge and Peterborough LEP and the London Stansted Cambridge Corridor Consortium. Financial prudence and the delivery of high quality services remain at the heart of the plan and indeed at the heart of the culture of the whole organisation. And to this end we will continue to plan for a future in which there will be little or no government core funding. Although money is tight public expectations remain high. The Plan sets the framework for addressing these issues. The reduction of the burden of Council Tax on our residents will help them manage tight budgets in these times of austerity.
10. Pathways to implementation of the Plan will be set out in service plans, which will be monitored by the Corporate Management Team, and reported as necessary to the Performance and Audit Committee in the quarterly performance reports. This is in line with current practice.
11. A Corporate Risk Register accompanies the plan and will be amended and updated by the Performance and Audit Committee.
