

**Committee:** Development Control

**Agenda Item**

**Date:** 23 JUNE 2009

**3**

**Title:** Consultation by South Cambridgeshire District Council in respect of planning application reference S/0232/09/F for installation of seven wind turbines and associated infrastructure (to include access tracks, crane hardstandings, temporary construction compound, switch house and cables) on land to south west of Little Linton Farm, Cambridge Road, Linton

**Applicant:** Enertrag UK Ltd

**Author:** ▪ Ms K Hollitt – Principal Planning Officer (01799) 510495

---

### Summary

The attached report sets out the main issues officers consider to be relevant in response to the consultation received from South Cambridgeshire District Council for the above development.

### Recommendation

That the Committee agree that the issues raised in the section entitled “Impacts on Uttlesford District” should be forwarded to South Cambridgeshire District Council as this authority’s response to the consultation.

**Background Papers:** Consultation received from South Cambridgeshire District Council for application S/0232/09/F. Also to be taken into consideration are the background documents contained in the Uttlesford planning application UTT/0232/09/FUL
