### **Uttlesford Futures – Sustainable Community Strategy - Consultation**

- 9 Uttlesford Futures is developing a Sustainable Community Strategy to provide the community with a vision of how the district will be developed over a five to 10 year period. It will integrate all of the other existing statutory strategies, for example the Local Development Framework and West Essex Health Strategy along with the Council's priorities for Uttlesford.

A number of themes are coming together ranging from access to transport and services, children and young people, healthy and safe communities, diversity, the environment and the local economy.

The community will be consulted with to see if it shares and agrees with the proposed way forward. Community consultation events are being held on Saturdays between 9.30 a.m. and 12.30 p.m. on 3 November at Saffron Walden Council Offices; 17 November at Dunmow Council Offices and on 23 November at Stansted Day Centre.

Anyone who would like to put forward their ideas at any of these events can call Jane Elsom on 01799 510559.
