

**PROPOSAL FOR BOUNDARY CHANGE: TAKELEY AND LITTLE CANFIELD**

**APPENDIX 6**

**Proposal**

Residents were asked for their views on the Council’s preferred option that there should presently be no change to the existing boundary.

A total of 68 forms were returned with 61 agreeing to the proposal and 7 disagreeing.

Residents were also asked to indicate their choice from a list of further options by marking from ‘1’ as most favoured and ‘6’ as least favoured. Of the 61 who had agreed to the above proposal and that completed the options the results were as follows:

Transfer the entire site to Little Canfield	Create a new, separate parish of Priors Green	Merge the two parishes of Takeley and Little Canfield into a single unified parish	Group together the two parishes of Takeley and Little Canfield into a single parish council	Implement an agreed alternative boundary line that would leave part of Priors Green within Takeley	Transfer the entire Priors Green site to Takeley	Comments (if any)	Name and Address where provided
Definitely not	Definitely not	Definitely not	Definitely not	As we live on Broadfield Road that would be unacceptable AND WE are <u>also</u> a community	NO – probably make the parish too large to be as effective as it is at present	We have lived in Takeley Parish for over 15 years and have been very satisfied by the commitment of our local parish councillors. We have no desire to be handed over to a ‘new’ parish consisting almost entirely of newcomers to the district.	W & M Lang, 9 Broadfield Road, Takeley
						I have no comment to make on the above options – I do not feel the need to change. It is costly and unnecessary	Mrs J V Mountney 1 Hamilton Road, Little Canfield

5	6	3	4	2	1	We are <u>not</u> Priors Green. We are a community in Broadfield Road and Takeley. Many thanks.	Jason, Sarah and Sophia Cauchi, 11 Broadfield Road, Little Canfield

6	3	5	4	2	1	As you will be aware Royal Mail have now closed the sorting office in Dunmow and the mail is now dealt with at Braintree. The mail delivery service is terrible. Also any items that are needed to be signed for are taken to Dunmow Post Office for collection if they cannot be delivered which is very inconvenient. It would be far better if the mail was dealt with at Takeley and I think this issue should be re-visited. <i>THERE WAS ALSO A LETTER ATTACHED TO THE FORM REGARDING POSTAL CONCERNS</i>	Paul Eldon 2 Wintershutt Toad, Little Canfield

4	3	2	5	1	6	You must leave those properties that are currently within the Priors Green development falling in the Little Canfield Dc, as they are. I am totally against merging with Takeley DC as this would have an adverse effect on property prices.	B Clements 1 Wyndrell Close, Little Canfield

						Like living in Little Canfield and hope it will not change. You state postcodes will not change, but if altered to Takeley then our addresses change to Bps Stortford, Herts and a great inconvenience and expense is caused by having to change our addresses and documents through not fault of ours. 2	3	5	4	1	6	We do not believe there is any natural community specific to Priors Green. The collection of builders plots invokes a numbers of sub-communities with a large natural median break. Takeley and Little Canfield are very different communities in all respects and would not be natural bedfellows, particularly where Takeley numbers would swamp the wishes of the smaller Little Canfield population	Iain Chadwick and Janet Sabey

						I do not believe that any other option is necessary. To pursue any other option, other than keeping existing boundaries as they are would be a complete waste of my and other UDC tax payers moneys	Peter Byford White Clouds, Thornton Road, Little Canfield
						I would prefer that no change be made to the existing boundary between Takeley and Little Canfield now or in the future and do not see the need for any further options, as this would only result in an un-necessary waste of time and money	Mrs Coriinne A Byford White Clouds, Thornton Road, Little Canfield

Of the seven who disagreed with the preferred option the following were noted:

2	1	3	4	6	5	Parish boundaries should have been decided <u>before</u> any development began at Priors Green as this has caused a lot of unnecessary confusion not to mention who are paying our council tax to, who sorts out upkeep of paths and parks and who is responsible for sorting out the recycling issued with blocks of flats? 6	5	3	4	2	1	My house '8 Champneys Way' should fall within Takeley, as it is really in Takeley. We are nearer to the centre of Takeley Village than we are to Little Canfield Village Hall. Plus its slower things like bus and taxi fares coming back from the airport is more expensive if you live in Little Canfield, when really, your house is in Takeley. Thank you	Mr and Mrs Elliott Howe 8 Champneys Way, Little Canfield
