

**COMMUNITY GOVERNANCE REVIEW  
PROPOSAL FOR BOUNDARY CHANGE: BIRCHANGER AND STANSTED**

**VOTING FORM**

This consultation seeks your views on the following draft proposal for a change to the parish boundary between Birchanger and Stansted. The closing date by which your response should be received is **1 February 2011**.

*Note: a parish boundary change does not affect postal addresses.*

**Proposal**

To transfer the entire Foresthall Park estate to Stansted Mountfitchet, the existing boundary with the parish of Birchanger to be realigned from the existing boundary at Gypsy Lane to follow a line north-easterly to the junction with Stansted Road, then in a southerly direction to the junction with Forest Hall Road, then following the centre of that road for nearly its entire length almost to the junction with Parsonage Lane, then following a line to the rear of the properties known as 1 and 2 Parsonage Farm Cottages, in a southerly and then easterly direction, thus keeping these properties within Stansted Mountfitchet parish, to a point where it meets with Parsonage Lane, and then in a generally southerly direction to the existing parish boundary immediately south of Parsonage Farm, keeping that property within Stansted parish. The effect of this change will be to transfer to Stansted Mountfitchet everything lying to the north of Forest Hall Road including properties at Pines Hill.
