

Recycling Figures August 2006

Please note these are figures have not been agreed by the County Council and many are based on an estimate as exact figures are not yet available.

With the exception of kitchen waste tonnage, figures are for the **whole of the district** not just the areas under the new system.

	July 2005	July 2006	Difference
Total recycling Tonnage	658.19	833	+175 tonnes
Waste to landfill	2083	1564	-519 tonnes
