

**Provision for Prison**

**Ref.No: 11 Rep.No: 1**

**Representor:** , HM Prison Service **Agent (if applicable):** Paul Dickinson and Associates

**Amendment(s) Sought:** HM Prison Service seeking a policy/allocation for a new prison.

**Reason(s) for Amendment(s) Sought:** The Prison Service is undertaking an ongoing exercise to identify areas of future need for additional prison accommodation throughout England and Wales. As part of this exercise it has identified the broad area within which your authority is located as one of strategic importance for additional prison places to serve the Greater London area.

**Comments:**

*Location within a broad area of search is inadequate justification for inclusion of a new policy in the plan.*

**Recommendation:**

*No new policy*
