Situation

5. Since the last meeting of this committee I have interviewed 2 drivers for failing to notify the council of fixed penalty points endorsed on their licence within 7 days.
6. In both cases I took no action as the drivers did notify the council of their points although outside of the 7 day period and they had an understandable excuse for not having notified the council within the required timetable. I reminded both drivers of the need to comply strictly with the condition in the future.
