School Places Overview

Uttlesford Primary and Secondary

Introduction

Reception and Year 7 forecasts for mainstream school place provision in Uttlesford District.

This information is the summer 2015/16 forecast, which is subject to final approval by DfE (which is imminent).

Final versions will be published in January 2017 in the next iteration of ECCs 10 Year Plan for school places.

Many of these plans are only options at this stage, agreement still required with schools, and appropriate ECC and statutory governance and planning permission will be required.
