information

Summary

- The attached Audit Commission publication, issued in 2008, determines the nature, level and scope of local audit work and underpins all Audit Commission activities. There are no significant issues or new developments to draw to Members' attention
- There is a requirement for the report to be received by "those charged with governance" which under the council's present Constitution means the Performance Select Committee. The document has previously been received and noted by the Strategic Management Board.
- Paul King, Ian Davidson and Christine Connolly of the Audit Commission will attend the committee to present the report and answer Members' questions.

Recommendations

- That the committee notes the report
