Situation

- 6. This is the council's new Corporate Risk Register as approved by Full Council in February alongside the Corporate Plan. It continues the approach of identifying the key risks associated with delivering the council's main strategic objectives.
- 7. This new register was first presented to the committee in July, along with an explanation of the Council's approach to risk management.
- 8. Since this register was reviewed by the Corporate Management Team at the end of Quarter 1, it has been further amended with the addition of a new risk concerning the current refugee crisis.

Risk Analysis

9.

Risk	Likelihood	Impact	Mitigating actions
That the council does not effectively monitor the risks it faces in delivering its corporate aims and objectives	1 – The register was created, and regularly monitored, by the Corporate Management Team	3 – If mitigating actions are not identified and acted upon, then there could be serious consequences for the delivery of services	Each corporate action and associated risk is owned by a member of the Corporate Management Team. Colleagues provide challenge and discussion regularly to ensure steps are being taken to reduce the likelihood and/or impact of those risks.

1 = Little or no risk or impact

2 = Some risk or impact – action may be necessary.

3 = Significant risk or impact – action required

4 = Near certainty of risk occurring, catastrophic effect or failure of project.
