Situation

- Under the Council's constitution this committee is responsible for overseeing the Council's work around corporate governance. In 2012 the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE) reviewed and revised the approach to corporate governance and in November 2012 published a new framework for good governance. The new guidance builds on the previous assurance gathering process requiring authorities to review the effectiveness of its governance arrangements against the key elements of the systems and processes that compromise an authority's governance.

The Annual Governance Statement is required to be published to complement the published statement of accounts. One of the previous good practice recommendations is that this Statement should be considered separately to the published accounts.

The Annual Governance Statement 2015/16 (appendix A) has been prepared in consultation with senior officers and using information from the 2014/15 Annual Governance Statement, which has been reviewed and updated to reflect the operation of the Council during 2015/16.

A copy of the CIPFA Guidance 2012 and the draft Annual Governance Statement 2015/16 showing changes from the 2014/15 statement is available to Members on request.

The statement has been agreed by the Corporate Management Team at its meeting on 04 May 2016.

Evidence in support of the Annual Governance Statement is being prepared in accordance with the CIPFA Guidance for examination by the External Auditors as part of their 2015/16 Audit and will be available to members on request.
