### **PLANNING AGREEMENTS**

The Committee received the schedule of the outstanding section 106 Agreements.

DC24

### **APPEAL DECISIONS**

The Committee noted details of the appeal decisions that had been received since the last meeting.

Members noted a trend for the Inspector to allow a number of appeals relating to applications for relatively large extensions or new dwellings that were over the Council's policy threshold. The Inspector had concluded that in the particular circumstances of the application there was no material harm.

Planning officers would be advised to bear this in mind when assessing future marginal cases in this area.

DC25

**UTT/1500/09 ELSNHAM –UNILATERAL UNDERTAKING WITH REGARD TO SOCIAL RENT**

A request had been received for the Council to enter into a deed of variation to amend a legal agreement concerning the Unilateral Planning Obligation relating to land at the Orchard, Station Road Elsenham.

The proposed changes were to

- Delete the reference to 21 affordable dwellings and define the affordable housing provision as 40% of the total number of dwellings that are permitted on the site (in accordance with policy H9 of the Uttlesford Local Plan).
- Update the reference to affordable housing to include the option for either social rents and affordable rents to be charged on the affordable homes on the site.

The amendments had been requested by the landowner on the grounds that it would make the scheme more attractive to registered providers and improve the possibility of the scheme being viable and deliverable.

RESOLVED that the Committee agree to the deed of variation, subject to the landowner paying the Council's costs

The meeting ended at 4.00 pm
