

**Committee:** Planning Policy Working Group

**Agenda Item**

**Date:** 28 November 2016

**4**

**Title:** Great Dunmow Neighbourhood Plan

**Author:** Sarah Nicholas, Senior Planning Officer

---

### Summary

1. The Localism Act 2011 introduced a right for communities to draw up neighbourhood plans. Great Dunmow Town Council, with support and advice from the District Council, has produced a neighbourhood plan which has subsequently undergone a successful examination and referendum. This report considers whether the Great Dunmow Neighbourhood Plan should be made (the Neighbourhood Plan legislation's term for adopted) by the District Council as part of the statutory development plan.
2. A neighbourhood plan, once 'made', forms part of the statutory development plan and sits alongside the Uttlesford Local Plan Adopted 2005. Should planning permission be sought in areas covered by an adopted neighbourhood plan, the application must be determined in accordance with both the neighbourhood plan and the Local Plan.

### Recommendations

3. To recommend to Cabinet and to Council that the Great Dunmow Neighbourhood Plan is formally 'made' as part of the statutory development plan for the District.

### Financial Implications

4. The examination and referendum were initially funded by Uttlesford District Council at a cost of approximately £6,750 and £8,500 respectively. UDC will be able to claim up to £20,000 funding from DCLG which will cover the cost of the examination and the referendum.

### Background Papers

5. .None

### Impact

- 6.

Communication/Consultation	The plan has undergone significant community involvement in its preparation
Community Safety	The plan deals with community safety

Equalities	The plan consulted with every resident
Health and Safety	None
Human Rights/Legal Implications	None
Sustainability	The plan deals with sustainability of town
Ward-specific impacts	Great Dunmow North and South
Workforce/Workplace	None

## Situation

7. The parish of Great Dunmow was designated a neighbourhood plan area in October 2012. The Neighbourhood Plan group then gathered evidence and undertook significant consultation. Pre-Submission consultation under regulation 14 was undertaken between 19th September and 31st October 2015.
8. The Great Dunmow Neighbourhood Plan was submitted for Examination in April 2016. The examination was conducted via written representations as the examiner decided that a public hearing would not be required. The examiner's report, detailing recommendations was received in June 2016. On the 15 September, Cabinet accepted and endorsed the proposed changes to the Neighbourhood Plan as set out in the Examiner's report and supported the Plan to go forward to referendum.
9. A referendum was held in Great Dunmow parish on Thursday 3 November 2016 posing the following question to eligible voters:

*Do you want Uttlesford District Council to use the neighbourhood plan for Great Dunmow to help it decide planning applications in the neighbourhood area?*
10. 21% of registered electors recorded votes, 1562 votes were cast of which 1451 were in favour of 'yes' and 111 votes in favour of 'No'. It was therefore declared that more than half of those voting had voted in favour of the Great Dunmow Neighbourhood Plan.
11. In accordance with the Neighbourhood Planning Regulations, following the outcome of the referendum it is now for the District Council to 'make' the neighbourhood plan so that it formally becomes part of the development plan for Uttlesford District.
12. Section 38A of the Planning and Compulsory Purchase Act 2004 (as amended) sets out the requirement for a local planning authority when it comes to making a neighbourhood plan. It is stated that,

“(4) A local planning authority to whom a proposal for the making of a neighbourhood development plan has been made-

*(a) must make a neighbourhood development plan to which the proposal relates if in each applicable referendum under that Schedule (as so applied) more than half of those voting have voted in favour of the plan, and*

*(b) if paragraph (a) applies, must make the plan as soon as reasonably practicable after the referendum is held.*

*(6) The authority are not to be subject to the duty under subsection (4)(a) if they consider that the making of the plan would breach, or would otherwise be incompatible with, any EU obligation or any of the Convention of the rights (within the meaning of the Human Rights Act 1998).”*

13. As a result of the outcome from the referendum and in accordance with the aforementioned legislation the Council is legally required to bring the plan into force following the successful referendum, it is recommended that the plan is formally made by the Council to become part of the development plan for the district and to help determine planning applications in the parish.

## Risk Analysis

14.

Risk	Likelihood	Impact	Mitigating actions
That the Neighbourhood Plan is not made	1. Little – members have approved the proposed changes to the Plan following the examination.	The Council will be in breach of its statutory duty under the Town and County Planning Act 1990.	As the legislation concerning the recommendation is quite explicit there is no way of mitigating this risk.

1 = Little or no risk or impact

2 = Some risk or impact – action may be necessary.

3 = Significant risk or impact – action required

4 = Near certainty of risk occurring, catastrophic effect or failure of project.
