## Situation

1. This report seeks to update members on the Duty to Cooperate which forms part of Section 110 of the Localism Act 2011. The Duty requires local planning authorities, public bodies and others to engage constructively, actively and on an ongoing basis in relation to the planning of sustainable development. An assessment of compliance with the Duty will form part of the Examination of the Local Plan in due course.
2. The National Planning Policy Framework (NPPF) states in paragraph 178 that 'public bodies have a duty to cooperate on planning issues that cross administrative boundaries, particularly those which relate to strategic priorities...(and) the government expects joint working on areas of common interest to be diligently undertaken for the mutual benefit of neighbouring authorities'.

## Update

3. Since the last PPWG there has been a **Co-op Officers Group** meeting 18 May. The agenda and minutes from the previous minutes are attached. The **Co-op Member Board** met on 22 May. The agenda minutes from the previous meeting are appended.

## Conclusion

4. Work with other Councils and organisations continues as a key part of the work of the Planning Policy Team. As part of the development of the Plan there are some important Duty to Cooperate meetings to be held and decision to be made. Councillors will be aware that some of these decisions will be difficult and involve a significant amount of discussion and negotiation before an outcome can be secured.
