

Scrutiny Committee Work Programme 2008/09

As at 9 April 2008

No.	Title	Comments	Planned Start Date	Due Date	Expected Outcome	Lead Member	Lead Officer
1	The communications of Essex County Council Highways department	This would not only require the co-operation of ECC but would be resource intensive.					
2	The new West Essex PCT	To be discussed as a possible joint issue with Harlow and Epping Forest.					
3	Migration in Uttlesford	Not clear as to purpose or scope					
4	The availability of public conveniences in Uttlesford	Already under way					
5	Education – How is this service delivered in Uttlesford?	This would not only require co-operation of ECC but would be resource intensive.					
6	The role and function of the Environment Agency	Not clear as to purpose and scope. Role and function of EA is a central government issue.					
7	The function of the water authorities, in relation to sewage	Not clear as to purpose and scope.					
8	Member/Officer relations	?					
9	Parish engagement	?					
10	The decision process – are all decisions that are made by Committees actually followed through?	Does not appear to be a scrutiny action. The council has a monitoring system for committee actions in place					
11	Members representing outside bodies – how effective is the representation?	?					
12	Area Panels, White Paper and Community Engagement – Can it be improved?	See comments in report to 8 July Committee regarding					
13	Economic benefits of the Airport	EEDA function					
14	The image of young people	?					

15	Review of concessionary charges	See comments in report to 8 July Committee regarding
