**STANDARDS COMMITTEE held at COUNCIL OFFICES LONDON ROAD
SAFFRON WALDEN at 4pm on 4 JULY 2016**

Present: Councillor T Knight – Chairman
Councillors K Artus (Acting Chairman until the arrival of
Councillor Knight), H Asker, A Dean D Jones and G Sell.
Mrs C Wellingbrook–Doswell (Independent Person)

Officers in attendance: R Dobson (Principal Democratic Services Officer)
and M Perry (Assistant Chief Executive – Legal and Monitoring
Officer).

SC3 APPOINTMENT OF CHAIRMAN FOR THE MEETING

As Councillor Knight had been delayed, Councillor Artus as vice chairman took the chair until her arrival.

SC4 APOLOGIES AND DECLARATIONS OF INTEREST

Apologies for absence were received from Councillors Loughlin and Hargreaves, and from Mrs Butcher-Doulton and Mr Pearl.

SC5 MINUTES OF PREVIOUS MEETINGS

The Committee received the minutes of the meetings held on 21 March (adjourned to 29 April), 17 March (adjourned to 14 April) and 1 June 2016.

There were no matters arising.

Councillor Knight arrived and assumed chairmanship of the meeting.

The minutes were signed as a correct record by the Chairman.

SC6 REPORT OF THE STANDARDS TASK GROUP

The Assistant Chief Executive-Legal expressed disappointment that members had approached the task with the view that the code of conduct was set in stone and that little could be done. This was not the case. The statutory requirements were simply that an authority should adopt a code of conduct, the code of conduct must include provision for registration and disclosure of interests, and the code must be consistent with the Nolan principles. Provided the code of conduct was consistent with these requirements, members could have devised a code to include whatever they wished.

Councillor Knight said whilst members had understood there were certain provisions around interests which could not be changed, there needed to be

more explanation of the implications regarding interests. She invited Councillor Jones to present his report.

Councillor Jones reminded members that two sub groups had been looking into the code of conduct and procedures, and that it had been agreed that it was not possible to update the procedures papers until the code was finalised. The revised code was presented now for consideration.

Members considered the draft code of conduct. It was agreed to make further amendments to reflect points agreed at the previous meeting of the sub group, as follows:

- To delete, because these were simply comments which had been inserted to advise members, the sentence beginning “S.27(2) in discharging its duty under subsection (1) . . .” as this sentence had only been inserted to make a point to members regarding the legal requirements.
- To delete the third paragraph from the end of the page.
- To delete the sentence starting “If so, any references . . .”
- It was agreed references to “the authority” should be to Uttlesford District Council, with additional wording to be inserted to state “and shall mean UDC or any town or parish council within this district which has adopted this code”.

Councillor Dean asked about the status of this meeting, since detailed amendments were being suggested. The Assistant Chief Executive – Legal said this meeting was a meeting of the Committee and not the Task Group, therefore members of the Task Group were presenting the draft code of conduct to the Committee for approval, and were not discussing the document as a Task Group.

Councillor Jones said he hoped the style of the report was now clearer for the average person to read, following much work at the sub group meeting last week and subsequent detail suggested by the Assistant Chief Executive – Legal. The intention of the code was that it should be transparent, and should be applied in a timely, fair and proportionate manner. The Task Group had taken the view that the duties in relation to handling complaints ought to be separated, and that the principle of calling witnesses should be followed.

Councillor Sell asked why the view had been that the Investigating Officer and the Monitoring Officer ought not to be the same person.

Councillor Knight said the Task Group had followed the best practice of other councils in this regard although there were different schools of thought as to which of the two officers should present the case.

Councillor Jones said witnesses for both sides should be allowed and that there should be efforts made to obtain resolution without moving to the hearing stage, in order to try to agree common ground. A flow chart to

demonstrate the steps in first trying to resolve the matter, including mediation should be devised.

Councillor Sell said he supported the concept of mediation to save officer time.

Councillor Knight agreed a major issue was officers' time, and that often these cases could be a matter of a simple apology.

Councillor Jones said that if a complaint moved to the hearing stage, there should be a clear set of instructions for a hearing. It would be good to have simple diagrammatic aids, which he suggested should be included in the recommendations to Full Council once the code of conduct and procedures reports had been finalised.

Councillor Knight said the production of the revised code of conduct was a huge task, and all members of the task group had put in a tremendous amount of work. The report was well presented, and minutes of the task group could be included if the Task Group so decided when the recommendations were reported to Full Council.

Councillor Jones asked how references to the Council's cabinet should be treated, since town and parish councils did not have a cabinet.

The Assistant Chief Executive – Legal said the code of conduct would be adopted as it stood.

Clarification was sought of the meaning of "close association". Councillor Knight suggested this definition should be made very clear. Councillor Sell suggested it would be good to have examples.

The Assistant Chief Executive – Legal said that under the old regime the regulations had initially defined certain phrases. When the statutory code was revised it left certain elements such as this phrase undefined, as the government had left the interpretation of such aspects to guidance.

Councillor Sell said the perception of the person in the street was relevant.

Councillor Knight asked the The Assistant Chief Executive – Legal to draft some examples for circulation to members.

Councillor Knight said she was not happy about the definition of non pecuniary interest and pecuniary interest where a person was raising money for charity.

Councillor Sell agreed and suggested the example of being a member of a committee to raise funds for a village hall, whilst also acting as a member of a parish council at which decisions were made about that subject.

Councillor Artus said the code covered this situation, where a person was a member of one body and was in a position of management in another body.

If someone did not understand this distinction, it was the fault of the person not the code.

Councillor Jones asked a question about the scheme of delegation of duties to the Monitoring Officer. The Assistant Chief Executive – Legal said there would be an amendment to the scheme of delegation recommended to Full Council in July.

He said the draft code still made no reference to other pecuniary interests and non pecuniary interests. Legislation set out that disclosable pecuniary interests need not be declared if they are registered. However the Council's requirements were more stringent. Members were required to declare DPIs even when registered.

Councillor Knight said the figure of £25 in relation to declarations of hospitality should be increased.

Members agreed to make provision in the code of conduct to register other interests and to register the non pecuniary interests defined in the draft at paragraphs 8.1, 8.2 and 8.3. Members considered where best to insert the wording to make it clear which interests should be registered.

Mrs Wellingbrook-Doswell said this process was quite difficult to follow and frustrating because effectively the committee was doing the work of the task group. It was important that The Assistant Chief Executive – Legal was involved. These details could be worked on elsewhere then brought to the meeting.

Councillor Knight asked why the question of other and non-pecuniary interests had not been raised before. The Assistant Chief Executive – Legal said he had raised these points previously.

Members agreed the document required further work outside the meeting before it could be approved in a final form, but he understood it was brought as an interim document for further approval after amendment.

Councillor Jones said it was a frustration that many of the points of discussion today had not been addressed at the previous meeting.

The Assistant Chief Executive – Legal said the only point which had so far not been addressed was the question of registration of other and non pecuniary interests, which he had flagged last week at the task group meeting.

Councillor Dean said he had hoped for a top level summary from both sub groups, as both halves of the work had to come together for cross-checking

before being submitted to the Committee. He was not putting anything on the table from the procedures sub group.

Councillor Knight said she felt the meeting last week had covered members' points, and the Assistant Chief Executive – Legal had gone through the draft thoroughly. The intention was that the chairman of the task group present the report as amended to ask for feedback, and then would finalise the report. Ideally the number of further meetings would be minimised.

Regarding inclusion of reference to the sanctions in the code under the definitions section, Members made the point that the intention was to limit cross-referencing across different sections, so as to make the documents straightforward to read.

The addition of details around the publication of sanctions was discussed. The Assistant Chief Executive – Legal said there was no need to expand on the wording of this provision.

Councillor Sell said the draft code of conduct had the basis of a good working document, subject to fine-tuning.

Councillor Dean gave a summary of the work of the Standards Task Group sub-group on procedures. The main points to highlight were as follows: there was a need to have a set of documents which were comprehensible to the layman; to have procedures which tried to resolve any complaint at the earliest stage; to enable a member to make an early response to any complaint and avoid the need for a full investigation by getting as much information as possible; to separate the responsibilities of the Monitoring Officer and the Investigating Officer. The document should set out the investigating procedure and enable anyone attending a hearing to understand how it would be conducted, including how the room would be set up; it was important that hearings would be conducted to a professional standard, therefore members should have training.

Finally, the sub group was of the opinion that any member of the Standards Committee who was a subject of a complaint if it proceeded to investigation stage should stand down from responsibilities of the Committee until the conclusion of the case, and a protocol to cover this situation should be written into the procedures. He invited the Committee to consider this suggestion further, in order to clarify what was needed for such a provision.

Councillor Dean said the report would be further refined and brought back to the Committee.

Members agreed to the above approach.

Councillor Knight said it was important that one of the Independent Persons who was not involved in the hearing could be available to give guidance and advice to a subject member, to alleviate the stress involved and also to save time.

RESOLVED to note good progress had been made regarding the draft code of conduct and revised standards procedures, and to invite officers to continue to participate in order to move forward.

Councillor Knight suggested a further meeting of the Task Group would be needed to enable the final report to be recommended to the Committee.

The meeting ended at 5.45pm.

**STANDARDS COMMITTEE held at COUNCIL OFFICES LONDON ROAD
SAFFRON WALDEN at 9.30am on 28 OCTOBER 2016**

Present: Councillor K Artus – Chairman
Councillors J Loughlin and D Jones
Mr D Pearl (Independent Person)

Officers in attendance: M Cox (Democratic Services Officer), C O'Boyle
(Investigating Officer – Epping Forest DC) and S Pugh (Interim
Head of Legal Services).

SC7 APOLOGIES AND DECLARATIONS OF INTEREST

There were no apologies for absence or declarations of interest.

**SC8 HEARING INTO AN ALLEGATION OF A BREACH OF THE CODE OF
CONDUCT**

The Investigating Officer presented her report. The hearing had been called to determine the outcome of an investigation into an allegation that Cllr Paul Gadd had breached the Code of Conduct of Saffron Walden Town Council (SWTC) by not declaring an interest in a matter considered by SWTC.

She explained that Uttlesford District Council (UDC) had refused planning consent for a development off Thaxted Road, Saffron Walden. The developer had appealed against this decision and the matter had been referred for a hearing. UDC had decided not to defend its decision at this hearing.

SWTC and a campaigning group called "WeAreResidents" (WAR) applied to take part in the appeal hearing and agreed to share the cost of resisting the planning appeal on a 50:50 basis. Cllr Gadd was a member of both SWTC and WAR.

SWTC had written to UDC on two occasions in 2015 asking it to meet the costs of SWTC and WAR in resisting the appeal. The letters had been authorised by SWTC's Planning and Road Traffic Committee. Cllr Gadd was not present when the first letter had been authorised but was there at the subsequent meeting. At this meeting he did not declare his interest as a member of WAR.

The Investigating Officer's report concluded that Cllr Gadd should have declared a local non-pecuniary interest under para 7.4 of the Code and part 2 of the Appendix, and not doing so amounted to a breach of SWTC's Code of Conduct.

Cllr Gadd had not been able to attend the meeting but had confirmed via email that he was happy with the factual content of the report and accepted its findings.

Members said the facts in the report were clear and they agreed with the Investigating Officer's findings. However, they felt that Councillor Gadd should have been aware of the requirement to declare his interest as a member of WAR and suggested that further training might be appropriate.

DECISION

The committee accepted the Investigating Officer's findings that Councillor Gadd had breached para 7.2 of the Saffron Walden Town Council Code of Conduct and Part 2 of the appendix in failing to declare a non-pecuniary interest.

The committee recommend the following sanctions

That Councillor Gadd be asked to:

1. Make a written apology to Saffron Walden Town Council and read the apology at a meeting of SWTC.
2. Contact the Interim Head of Legal Services to discuss further his obligations under the Code in relation to declaration of interests.

Agenda Item

Date: 3 February 2017

Title: Review of Standards Code of Conduct and Procedure

Author: Interim Head of Legal Services

Item for decision:

Summary

1. The Standards Committee appointed a Standards Task Group to review the Council's Code of Conduct for Members and its Procedure for dealing with allegations that the Code has been breached. The Task Group has been working in two teams, one dealing with the Code and one with the Procedure.
2. A meeting on 16 December of the full Task Group agreed its final proposals. The revised Code and Procedure developed by the Task Group are set out in in Appendices C and D to this report.
3. The Procedure has a wider application, in that it would also apply to complaints against parish councillors. The Council's Code has been widely adopted by parish councils, which may wish to bring their codes in line with changes made by Uttlesford DC.

Recommendations

4. That the Standards Committee recommends the revised Code and Procedure annexed to this report to Council for adoption.
5. That the Standards Committee considers the timing and form of the recommendation to Council. (See paragraph 13.)

Financial Implications

6. None.

Background Papers

7. Report to Standards Task Force meeting on 16 December 2016. The current Code and procedure are annexed to this report.

Impact

- 8.

Communication/Consultation	None yet but this needs to be considered by the Standards Committee.
Community Safety	None

Equalities	The Code and Procedure take account of equalities issues. The main issue is whether the Procedure accommodates those who, by reason of disability or otherwise, would find it more difficult to exercise rights under the Procedure.
Health and Safety	None
Human Rights/Legal Implications	The proposed Code and Procedure are compliant with the Council's legal obligations under the Localism Act 2011 and the Human Rights Act, 2000.
Sustainability	None.
Ward-specific impacts	None.
Workforce/Workplace	None.

Situation

9. The Task Force was set up to review the current Code of Conduct and Procedure. Its membership is: Cllrs Artus, Asker, Dean, Derek Jones and Knight, and the Council's three Independent Persons for Standards – Georgina Butcher, David Pearl and Catherine Wellingbrook-Dodswell. It was constituted to propose a revised Code and Procedure that:

- Meet the Council's legal obligations under the Localism Act, 2011;
- Are fair and proportionate; and
- Are clearly drafted and easily understood.

The current Code and Procedure are attached to this report as Appendices A and B respectively. The Task Force's proposed Code and Procedure are attached as Appendices C and D.

10. Whilst many of the differences between the two sets of documents are intended to bring clarity, rather than to make substantive changes, there are some important differences between them and members should read them carefully.

11. In respect of the Code, differences include:

- The provisions for disclosure of "disclosable pecuniary interests" is set in law and no substantive changes are proposed. However, the current code distinguishes between "other pecuniary" and non-pecuniary" interests. The proposed revision groups these together as "personal interests".

- The current code applies a “prejudicial interest” test to “other pecuniary” interests but not to “non-pecuniary” interests. The proposed revision applies a prejudicial interest test to personal interests, whether they are financial in nature or not. If a member has an interest that is prejudicial in nature (i.e. it is so significant that it is likely to prejudice their judgment of the public interest) then they should not participate, whether the interest is financial or not (in the author’s view).
- The current code contains a section dealing with “Conflicts of interest for members of the Executive”. Its deletion is proposed to simplify the code. Its scope is unclear, the inclusion of separate provisions for members of the Executive is unusual and it is difficult to see what this adds to the other provisions of the Code.
- The proposed Code increases the threshold for declaring receipt of hospitality from £25 to £50. The £25 threshold has been in place for a number of years and Task Force members felt that it should be updated.

12. In respect of the Procedure, differences include:

- The proposed Procedure clarifies the role of the Monitoring Officer and seeks to avoid the Monitoring Officer acting as investigating officer and adviser to the Standards Hearing Panel.
- Under the present Procedure, a complaint has to be referred to a Hearing Panel where an investigation finds that a member has breached the Code. The proposed Procedure allows some flexibility in this. A formal hearing may not be necessary, for instance, if the subject member accepts the findings of an investigation and is prepared to offer an apology. In these circumstances, the outcome would be reported to the Standards Committee for information.
- Under the present Procedure, where the Investigating Officer finds that the subject member has not breached the Code, any member of the Standards Committee can “call in” the complaint for a hearing by a Panel. The proposed Procedure deletes this call-in where the Monitoring Officer and Independent Person accept a finding that a member is not in breach of the Code.
- The proposed Procedure is intended to deal more clearly with the process to be followed at hearings.

13. Changes to the Code and Procedure need to be approved by full Council. The next Council meeting is on 23 February, followed by the meeting on 4 April. It would be prudent to consult and inform all members about what is proposed before the Council makes a decision to address concerns and to provide clarification. Council will then have a clear picture of what is before it when it meets. The short gap between this Standards Committee and full Council on 23 February does not allow a lot of time to do this. It might therefore be better to take this to Council on 4 April. An alternative approach put forward by the Task Force is to report this to Council on 23 February but to ask Council to defer making a

decision on adoption until its meeting on 4 April. The views of the Standards Committee are sought, along with ideas on the best ways to engage other councillors in this.

14. There is also a need to consider parish councils, as the Uttlesford Code of Conduct has been widely adopted and UDC's Procedure applies when considering complaints against parish councillors. Parish councils could be informed of proposals to revise the Code and Procedure and invited to comment.

15. The Task Force is keen that the new procedures should be illustrated by a flowchart of the Procedure from Complaint to calling a Hearing and by a diagram showing a 'standardised' room setup for a hearing. More work is needed on these but they can be developed in consultation between members and officers. They do not need formal member approval, as they are illustrative.

Risk Analysis

16.

Risk	Likelihood	Impact	Mitigating actions
<p>That members act in a manner not compatible with the principles of conduct set out in s.28(1) Localism Act 2011</p> <p>That the Council suffers reputational damage and that confidence in elected members and local government is undermined.</p>	2.	3.	<p>The adoption of a Code of Conduct and Procedure that are clearly drafted and that are proportionate and fair.</p> <p>Ensuring that members understand and accept their obligations under the Code and are able to seek advice about its application.</p>

1 = Little or no risk or impact

2 = Some risk or impact – action may be necessary.

3 = Significant risk or impact – action required

4 = Near certainty of risk occurring, catastrophic effect or failure of project.

Annex B: Current Procedure

PROCEDURE FOR DEALING WITH COMPLAINTS TO THE STANDARDS COMMITTEE

1. The Standards Committee can only investigate complaints of a breach of the Code of Conduct by individual members. It cannot investigate complaints against the whole council, the cabinet, committees or council officers.
2. Complaints must be in writing. If a complainant is unable to make a complaint in writing personally council officers will assist. The council will supply a complaints form to assist complainants in making their complaint but its use is not compulsory and a letter or e-mail complaint will suffice.
3. Upon receipt of a complaint an acknowledgement will be sent to the complainant. The subject member will be informed that a complaint has been made and be told the substance of the complaint unless in the opinion of the Monitoring Officer to do so could prejudice a fair investigation.
4. The complainant will be offered the opportunity to advance reasons why his or her name should not be disclosed to the subject member and will be informed that if no response is received within 10 working days the subject member will be informed of the complainant's identity. In the event that the complainant does advance reasons as to why his or her name should not be revealed to the subject member at that time the Monitoring Officer will consult with an independent person. In the event that following such consultation the Monitoring Officer decides that the complainant's identity should be revealed then the complainant will be notified of that decision and will be given a period of 5 working days to decide whether to proceed with the complaint. If the complaint is not withdrawn the subject member will be informed of the complainant's name.
5. The Monitoring Officer or his or her deputy will consult with an independent person with regard to all complaints received. Such consultation may be at a meeting, by telephone or in writing. Following such consultation the Monitoring Officer or his or her deputy will take one of the following decisions:-
 - a. To take no action
 - b. To take action other than an investigation (e.g. to ascertain whether the subject member may be willing to apologise, undergo training or undergo mediation)
 - c. To require an investigation

Whilst the Monitoring Officer is solely responsible for taking the decision, where the independent person has expressed a view that the allegation should be investigated the Monitoring Officer may refer the matter to the Standards Committee if he or she is of a view that an investigation is unnecessary and the Standards Committee will then determine how the allegation should be dealt with.

6. Not all complaints will be passed for action. The subject of the complaint must have been a member of the council at the time the facts alleged occurred. The Code of Conduct must also apply to the acts complained of. Members are only bound by the Code of Conduct when they are conducting the business of the council (including acting as a councillor) or when they are acting, claiming to act or give the impression that they are acting as a representative of the council. Conduct by members in their private capacity does not engage the Code of Conduct. The complaint, if proved, must also be capable of amounting to a breach of the Code of Conduct. No findings of fact are made at this stage. The decision as to whether to investigate a complaint is made on the assumption that the facts as alleged are true. Findings of fact are only made after an investigation and report to a sub-committee.
7. Even when the aforementioned conditions are satisfied this does not necessarily mean that a case will be passed for action. There is a balance to be struck between the desirability of ensuring that issues regarding the Code of Conduct are dealt with appropriately against the costs involved of carrying out an investigation and hearing. The Standards Committee are of the view that there is little public benefit in investigating allegations which are not sufficiently serious, politically motivated, malicious or vexatious. In reaching a decision whether to refer a case for action the following criteria will be applied:-
 - a. Complaints which are not supported by sufficient information are unlikely to be referred.
 - b. If the complaint has been or should be investigated or dealt with elsewhere further action is unlikely to be justified.
 - c. Stale complaints are unlikely to be referred. The Standards Committee expects that complainants would normally make their complaint within six months of the relevant facts coming to light.
 - d. Regard will be had to the very high degree of protection given to freedom of expression by Article 10 of the European Convention on Human Rights
 - e. Where a member who is the subject of a complaint has acknowledged the breach of the Code and made a sincere apology the complaint is unlikely to be referred unless it is considered that such apology would be insufficient.
8. Where a case is accepted for investigation the Monitoring Officer will arrange for an investigation to be carried out.

9. At the conclusion of the investigation the investigating officer may prepare a draft report which he sends to the complainant and the subject member for comment. The investigating officer may or may not amend the report in the light of representations received. Alternatively the investigating officer may in his or her sole discretion proceed to a final report.

10. In the final report the investigating officer will set the facts which have been agreed and any conflicting evidence he has received from the complainant, the subject member and any witnesses. The investigating officer will make any findings of fact and state whether in his or her opinion the facts as found constitute a breach of the Code of Conduct.

11. Where there has been a finding on no breach of the Code of Conduct the report shall be circulated to all members of the Standards Committee. Any member shall be entitled to make a request to the Monitoring Officer that a meeting of the Standards Committee be convened for the purpose of a hearing to consider the report. If no member of the Standards Committee requests a hearing within 10 working days of the report being circulated the findings of the investigating officer become final and the decision stands.

12. In the event that a member of the Standards Committee does request a hearing the hearing the public and press shall be excluded from the hearing under s.100I and paragraphs 1 and 2 Schedule 12A Local Government Act 1972 unless the subject member requests otherwise it being generally considered in the public interest to apply the exemption as the member's right to privacy until such time as the findings of the investigating officer have been reversed outweigh the public interest in making the information available.

13. Where the investigating officer finds that there has been a breach of the Code of Conduct or where a member of the Standards Committee has requested a hearing under paragraph 12 above there will be a hearing to consider the complaint and the investigating officer's report. Unless paragraph 12 above applies the hearing will normally be held in public.

14. The procedure for a hearing will be as follows:
 - a. The investigating officer will usually have interviewed all relevant witnesses and a summary of their evidence will appear in the report

 - b. Live evidence will not usually be called by the Investigating Officer at the hearing

 - c. The subject member may apply for permission to call live rebuttal evidence. The Monitoring Officer (or his or her deputy if the Monitoring Officer carried out the

investigation) shall determine with the Chairman of the Standards Committee (or another voting member of the Standards Committee in the absence of the Chairman) whether live witness evidence will be permitted.

- d. Any request for permission to call live evidence shall be in writing, state the name of the witness concerned and give a summary of the evidence the witness is likely to give.
 - e. Where a witness has given evidence which is referred to in the investigating officer's report and the subject member wishes that person to be subject to cross examination at the hearing the subject member may request the investigating officer to endeavour to arrange for that witness's attendance. The subject member should however be aware that witnesses cannot be required to attend Standards Committee hearings. Further the investigating officer may decide not to request the witness to attend. In either event the evidence is admissible but when evidence is in dispute and is no subject to cross examination the Committee will need to determine what weight to give to it.
 - f. The subject member will have the opportunity of attending and addressing the hearing and calling evidence if having first been given permission to do so.
15. Having received evidence and hearing submissions the Committee will announce its findings of fact, its findings as to whether there has been a breach of the Code of Conduct and what sanction (if any) should apply.
16. The range of sanctions available is:-
- a. To find that no further action is required.
 - b. To censure the member (this is the only sanction available if the member is no longer a councillor at the date of the hearing)
 - c. To recommend that a member's access to council premises or the use of council resources be restricted providing that such restrictions do not prevent the member performing his functions as a councillor
 - d. To recommend that the member makes a written apology in a form acceptable to the Standards Committee.
 - e. To recommend that the member undertakes specified training.

- f. To recommend that the member undertakes specified conciliation or mediation.
 - g. To recommend that the member be removed from a committee or committees of the Council (this can only be done by Full Council and if the member is a member of a recognised political group on the Council with the consent of his or her group leader)
 - h. To recommend that the member be removed from an outside body or bodies to which the member has been appointed by the Council (this can only be done by Full Council and if the member is a member of a recognised political group on the Council with the consent of his or her group leader)
 - i. To recommend that the member be removed from the Cabinet (this can only be done by the Leader of the Council)
 - j. To require the decision of the Standards Committee to be published.
17. A finding that there has been no breach of the Code of Conduct (whether by the investigating officer or by the Standards Committee) shall only be published if the subject member requests that this should be done.

Annex C: Draft revised code of conduct.

THE COUNCILLORS' CODE OF CONDUCT Part 1

Introduction and Interpretation

1. This is the Code of Conduct adopted by Uttlesford District Council. It sets out standards of conduct expected of elected and co-opted members of Uttlesford District Council. It is also intended to promote the following principles:
 - *Selflessness*: Holders of public office should act solely in terms of the public interest.
 - *Integrity*: Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family or friends.
 - *Objectivity*: Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
 - *Accountability*: Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
 - *Openness*: Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for doing so.
 - *Honesty*: Holders of public office should be truthful.
 - *Leadership*: Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour when it occurs.

What does the Code cover?

2. The Code covers three main areas:
 - It sets out some general obligations regarding the behaviour of elected and co-opted members.
 - It explains how members should behave if they have a personal interest in an item of Council business.
 - It sets out rules requiring registration of interests for public inspection.

When does the Code apply?

3. You must comply with this Code whenever you are carrying out your Council duties for which you were elected or appointed. The Code also applies when you act, claim to act or give the impression you are acting as a representative of Uttlesford District Council. It does not apply to your conduct in your private life. However, conduct that falls short of the high standards expected of those in public life can damage the reputation of the Council and its members, even if it is not within the scope of the Code. The Code applies to elected councillors and it also applies to co-opted members.

General obligations regarding behaviour

4. You must treat others with respect.
5. You must observe any protocols or codes of practice adopted by your authority.
6. You must not:
 - a. Do anything which may cause Uttlesford District Council to breach the Equality Act 2010 or otherwise act unlawfully.
 - b. Bully any person;
 - c. Intimidate or attempt to intimidate any person who is or is likely to be a complainant, a witness, or involved in the administration of any investigation or proceedings, in relation to an allegation that a member (including yourself) has failed to comply with his or her authority's code of conduct;
 - d. Do anything which compromises or is likely to compromise the impartiality of those who work for, or on behalf of, your authority.
 - e. Disclose information given to you in confidence by anyone, or information acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, except where:
 - i. You have the consent of a person authorised to give it;
 - ii. You are required by law to do so;
 - iii. The disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. The disclosure is reasonable and in the public interest; and is made in good faith and in compliance with the reasonable requirements of the authority;

- f. Prevent another person from gaining access to information to which that person is entitled by law.
 - g. Conduct yourself in a manner which could be reasonably regarded as bringing Uttlesford District Council or your office into disrepute
 - h. Use or attempt to use your position as a member improperly to confer on or secure for yourself or any other person, an advantage or disadvantage
7. You must, when using or authorising the use by others of the resources of your authority:
- a. Act in accordance with your authority's reasonable requirements;
 - b. Ensure that such resources are not used improperly for political purposes (including party political purposes); and
 - c. Have regard to any applicable Local Authority Code of Publicity made under the Local Government Act 1986.

Members' Interests in Council Business

Disclosable pecuniary interests.

8. Disclosable pecuniary interests (DPIs) are defined by The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012. An explanation of what is a DPI is set out in Appendix A to this Code. It is very important that members understand what amounts to a DPI, that they identify carefully all the DPIs relevant to them and that they take the action required by law. Breach of the requirements related to DPIs may amount to a criminal offence.

Personal Interests

9. Personal interests are interests you have in business considered by the Council that do not fall within the definition of a disclosable personal interest but which should be declared in the interests of transparency. They are defined in Appendix B to this Code.

Personal and Prejudicial interests.

10. To decide whether a personal interest is prejudicial, members should apply the following test:

“Would a member of the public with knowledge of the relevant facts reasonably regard my interest as so significant that it is likely to prejudice my judgement of the public interest?”

If the answer is “yes”, then you should treat your interest as “personal and prejudicial”.

Disclosure of Members’ Interests

11. If you are present at a Council meeting that is considering business in which you have an interest, you must disclose the existence and nature of the interest to the meeting. Council meetings for this purpose also include:

- Meetings of committees, sub-committees, working groups and panels.
- Meetings of the Cabinet and of committees and sub-committees of the Cabinet.

This provision only applies if you are aware or ought reasonably to be aware of the interest.

Decisions made by Cabinet members

12. If you are a Cabinet member with an interest in any business of the Council which would be disclosable by virtue of paragraph 11 and you have made a decision on behalf of the Cabinet in relation to that business, you must ensure that any written statement of that decision records the existence and nature of that interest. This applies to decisions made on behalf of the Cabinet outside meetings as well as to those made at meetings.

Disclosure of Sensitive Interests

13. If details of your interest are not published in the Register of Members’ Interests because they have been classed as “sensitive”, you must disclose the fact that you have an interest and the type of interest (disclosable pecuniary or personal) but need not disclose the nature of the interest.

Participation in meetings if you have an interest

14. If you have a **disclosable pecuniary interest** in any Council business then, unless you have a dispensation from the Council’s Monitoring Officer, you must:

- Withdraw from the room or chamber where the meeting considering the business is being held.
- Not participate or participate further in any discussion of the matter at the meeting.
- Not participate in any vote or further vote taken on the matter at the meeting.

15. If you have a **personal and prejudicial interest** in any Council business then, unless you have a dispensation from the Council’s Monitoring Officer:

- You may attend a meeting for the purpose of making representations only.

- You must not participate or participate further in any discussion of the matter at the meeting.
 - You must not participate in any vote or further vote taken on the matter at the meeting.
16. If you have a **personal interest that is neither a disclosable pecuniary interest nor a prejudicial interest**, you may participate in discussion of the matter and may vote.
17. If a Council function may be discharged by a member acting alone and you have a disclosable pecuniary interest in such a matter, you may not take any steps or any further steps in relation to the matter (except for the purpose of enabling the matter to be dealt with otherwise than by yourself) unless you have obtained a dispensation from the Monitoring Officer permitting you to do so.

Registration of Members' Interests

Disclosable Pecuniary Interests

18. You are required to notify The Council's monitoring officer of any disclosable pecuniary interests as follows:
- You must give notice of all disclosable pecuniary interests within 28 days of being elected or appointed as a member of the Council.
 - If you are re-elected or reappointed, you must give notice within 28 days of re-election or re-appointment of any disclosable pecuniary interests that are not already entered in the Register of Members' Interests
 - If you are obliged, at a meeting or as part of a record of an executive decision, to declare a disclosable pecuniary interest which is not entered on the Register of Members' Interests, you must notify the Council's Monitoring Officer within 28 days of the declaration.
 - Notify the Monitoring Officer of new disclosable pecuniary interests within 28 days of becoming aware of them.

Personal Interests

19. You are required to notify The Council's monitoring officer of any personal interests that are not registrable as disclosable pecuniary interests as follows:
- The name of any body of which you are a member or in a position of general control or management and to which you are appointed or nominated by the Council.
 - The name of any body:
 - exercising functions of a public nature; or

- The name of any person or body from whom you have received a gift or hospitality with an estimated value of at least £50.

Sensitive interests

20. Where you have an interest that is registrable and the nature of the interest is such that you and The Council’s monitoring officer consider that disclosure of details of the interest could lead to you or a person connected with you being subject to violence or intimidation if the interest is entered in the authority’s register then copies of the register available for inspection and any published version of the register shall not include details of the interest but may state that you have an interest details of which are withheld under s.32(2) Localism Act 2011 and/or this paragraph.

B1. The item of business relates to or is likely to affect any person or body who employs or has appointed you. Or

B.2 A decision in relation to that business might reasonably be regarded as affecting your financial position or wellbeing or that of a related person to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the ward affected by the decision. Or

▪

1. Purpose of the Code of Conduct procedure

This procedure covers the following topics:

- Some definitions.
- The sort of complaints we can consider.
- Making a complaint.
- Assessing the complaint.
- Investigating the complaint.
- Considering the Investigating Officer's report.
- The procedure for hearings before a Hearing Panel of the Standards Committee.
- What sanctions can be imposed if a complaint is upheld.

2. Some definitions

2.1 "Assessment Panel": Assessment panels meet to decide on how to proceed with a complaint in cases where this is not agreed between the Monitoring Officer and the Independent Person assigned to a complaint. Assessment panels are made up of three members of Uttlesford District Council who are also members of its Standards Committee.

2.2 "Code of Conduct": Local councils, including Uttlesford District Council and parish councils within its area, must adopt a code dealing with the conduct that is expected of members and co-opted members of the authority when they are acting in that capacity. The Code is expected to promote principles of selflessness, integrity, objectivity,

accountability, openness, honesty and leadership. These principles are explained in the Code itself.

2.3 “Hearing Panel”: Hearing panels meet to consider complaints that members have breached the code of conduct. Hearing panels are made up of three members of Uttlesford District Council who are also members of its Standards Committee.

2.4 “Independent Person”: This is a statutory role established by the Localism Act 2011. Uttlesford District Council is obliged to appoint at least one “independent person”. In fact, it has appointed three.

- The Independent Person’s views must be sought, and taken into account, by UDC before it makes decisions on allegations that it has decided to investigate.
- The Independent Persons’ views must also be sought in the circumstances set out in this procedure.
- The views of an Independent Person may also be sought by a member or co-opted member of UDC or of one of the parishes in its area if that person's behaviour is the subject of an allegation.
- One of the Independent Persons will participate in hearing panels alongside elected members.

2.5 “Investigating Officer”: This is a person appointed by UDC to investigate a complaint against a member or a co-opted member.

2.6 “Member”: This term is used in this procedure to refer to an elected councillor or co-opted member of UDC or of one of the town or parish councils in its area.

2.7 “Monitoring Officer”: This is a statutory role provided for by the Local Government and Housing Act, 1989. UDC is obliged to designate one of its officers as Monitoring Officer.

- The Monitoring Officer has an oversight role in ensuring that local authorities act lawfully and address instances of maladministration.
- In the context of this procedure, the role of the Monitoring Officer is not to carry out formal investigation of complaints but to make some decisions on how to respond to complaints, usually in consultation with an Independent Person, and to provide advice and support to Hearing Panels.
- The Monitoring Officer is responsible for initiating steps towards the informal resolution a complaint where informal resolution is identified as appropriate by the Monitoring Officer and the Independent Person who is advising on the complaint.
- The Monitoring Officer is also responsible for keeping a clear and auditable record of how complaints are considered.

2.8 “Standards Committee”: This is a committee made up of elected members of Uttlesford District Council. Its main role is to promote and maintain high standards of conduct by

councillors and co-opted members. The membership of Hearing Panels is drawn from UDC's Standards Committee.

3. The sort of complaints we can consider.

- 3.1 This procedure applies to complaints that a member has acted in a way that breaches the Code of Conduct. Uttlesford District Council ("UDC") has a code of conduct for councillors and so do most town and parish councils. Some parish councils have the same code of conduct as UDC but some have their own codes.
- 3.2 The Code of Conduct only applies to councillors when they are conducting council business or are acting, claiming to act or are giving the impression that they are acting as a representative of the council to which they are elected. The Code of Conduct does not apply to their private lives.
- 3.3 We cannot consider complaints under this procedure that do not allege a breach of the Code. It is not a way simply of challenging decisions with which someone disagrees. There may be other ways of pursuing complaints or challenges to actions or decisions taken by councillors that do not relate to the Code of Conduct; for instance through a council's complaints procedure, by complaining to the Local Government Ombudsman or through a statutory appeal process.
- 3.4 We can only consider complaints about councillors elected to UDC or to one of the town or parish councils within Uttlesford.

4. Making a complaint

- 4.1 Complaints should be made in writing, which includes email. They should be addressed to UDC's Monitoring Officer and set out full details of the complaint.
- 4.2 If a member of the public has difficulty in putting a complaint in writing, the Monitoring Officer shall arrange other means to record and register the complaint. If the scope or nature of a complaint is not clear, the Monitoring Officer may ask for more detail. In these circumstances the Monitoring Officer must ask the complainant to confirm that the complaint has been accurately recorded.
- 4.3 The Monitoring Officer will offer advice and assistance but will remain impartial between the complainant and the councillor who is the subject of the complaint.
- 4.4 'Anonymous' complaints will not normally be accepted. If a complainant requests anonymity, they must explain why. The Monitoring Officer will consult an Independent Person before deciding whether to accept a complaint on an anonymous basis. The Monitoring Officer shall record the reason for granting anonymity, if allowed.

- 4.5 Within 5 working days of receipt of the complaint in final form the Monitoring Officer shall acknowledge the complaint and provide a copy of the Code of Conduct and this procedure to the complainant.
- 4.6 Once a complaint is in final form, the Monitoring Officer shall send a copy of the complaint to the member who is the subject of the complaint. The Monitoring Officer will aim to do this within 5 working days. However, the Monitoring Officer may decide not to do this if this might prejudice the investigation. The Monitoring Officer shall consult an Independent Member of the Standards Committee before withholding a copy of the complaint from the member who is the subject of the complaint.
- 4.7 If, at any stage, a complainant wishes to withdraw a complaint, the Monitoring Officer shall consult the Independent Person and may consult the member who is the subject of the complaint. Ordinarily consideration of a complaint would cease if the complainant wished to withdraw it. However, there may be circumstances in which it would be appropriate, in the public interest, to pursue a complaint despite the wishes of the complainant.
- 4.8 In the event that the Monitoring Officer receives a complaint that a councillor has failed to declare a disclosable pecuniary interest (“DPI”) and there is evidence that a serious potential DPI offence may have been committed, they will make immediate contact with the Police through a nominated single point of contact. In these circumstances this procedure under the Code will be suspended pending consideration of the complaint by the Police. For the avoidance of doubt there is no requirement for the Monitoring Officer to refer cases to the Police where it appears there may have been a genuine error or oversight by the member concerned and no advantage has been secured by them.

5. Assessing the Complaint

- 5.1 Once the substance of a complaint is clear, the Monitoring Officer shall consult the Independent Member about how to proceed. Options at this stage include:
- No further action.
 - Informal resolution.
 - Formal investigation.
 - The Monitoring Officer shall, where appropriate, ascertain if the complainant and the member who is the subject of the complaint are prepared to attempt resolution of the complaint by informal means. Informal means may include mediation. In the event that informal resolution is not possible, the formal procedure will continue. Informal resolution may not be appropriate where a serious breach of the Code is alleged, where third party rights may be adversely affected or where there is a wider public interest in pursuing a formal investigation.

5.2 A number of factors, not limited to those below, will inform the Monitoring Officer's decision.

- Whether the alleged action relates to a breach of the code of conduct.
- When the action complained about occurred. (Complaints should be made in a timely manner and should usually be made within three months of the alleged breach.)
- Whether the alleged action is considered to be serious or minor/trivial.
- Whether the complaint appears to be politically motivated, vexatious or retaliatory.
- Whether the allegations relate to actions occurring whilst the member was acting in their official capacity or in their private capacity.
- Whether it is in the public interest to investigate.
- Whether the matter is considered suitable for alternative resolution and if so whether the member and the complainant are prepared to consider this alternative.
- Whether the complaint should be pursued by other means; e.g. through a parish or town council complaints procedure, through an appeals process or through complaint to the Local Government Ombudsman.
- Whether there is sufficient information on which to consider the complaint.
- In deciding whether to investigate a complaint, careful regard will be had to the right of members to freedom of expression and their role in contributing to political debate.
- Regard will also be had to whether an investigation is appropriate if a member has admitted the breach and has offered a sincere apology.
 - If the Monitoring Officer and Independent Member cannot agree on how to proceed, an assessment panel of the Standards Committee shall decide.

6. Investigating the Complaint

6.1 When there is a decision to investigate a complaint, the Monitoring Officer shall formally appoint an investigating officer with appropriate skills and experience. The appointment shall take account of any potential 'conflict' between the Investigating Officer and Member. If there is no suitable internal appointee, an officer from another authority or an external investigator may be appointed. The Investigating Officer must be prepared to attend any subsequent hearing.

- 6.2 On appointment, the Investigating Officer shall contact, and where possible meet, the complainant, to ensure a full understanding of the nature and substance of the complaint. The Investigating Officer shall acquire a copy of any documentation offered or referred to as evidence, and take details of any witness or witnesses prepared to provide evidence. At this point, the Complainant may not extend the scope of the complaint but may clarify any matters of understanding.
- 6.3 The Investigating Officer shall contact witnesses and either obtain signed and dated statements from them concerning the complaint, or interview them and obtain a signed and dated record of the interview from them.
- 6.4 Witnesses should generally be prepared to attend a hearing, and have their evidence examined and cross-examined.
- 6.5 Throughout the investigation process, any interviewee, including the complainant and the member, has the right for a 'friend' to attend. The 'friend' shall not normally act in a legal capacity.
- 6.6 After interviewing the parties and witnesses and considering the evidence, the Investigating Officer shall produce a draft report summarising the investigation and making provisional findings of fact. The draft report shall also indicate whether the Investigating Officer considers that there has been a breach of the Code of Conduct, with reasons.
- 6.7 The Investigating Officer shall send a copy of the draft report to both the complainant and the member, marked 'In Confidence', and invite the parties to identify anything in the report with which they disagree, or which they believe requires further consideration. The Investigating Officer shall receive and take account of any comments. If necessary, in the interests of accuracy and justice, this process may be repeated.
- 6.8 The Investigating Officer shall then submit a final report to the Monitoring Officer.

7. Considering the Investigating Officer's report.

- 7.1 The Monitoring Officer shall, on receipt, review the report and seek any clarifications necessary.
- 7.2 The Monitoring Officer will then send a copy of the final report to the Independent Person, to the complainant and to the member.
- 7.3 If the report concludes that the member has not breached the Code of Conduct, and the Monitoring Officer and the Independent Person accept the finding, the Monitoring Officer shall send all members of the Standards Committee a copy of the report for information.

7.4 If the report finds that the member has breached the Code of Conduct, the Monitoring Officer may consider that the matter does not require a formal hearing and informal resolution may resolve it. In this case, the Monitoring Officer shall consult the Independent Person and may propose a fair resolution that helps to ensure higher standards of conduct in the future. This may require the Member to acknowledge that their conduct was unacceptable. It may include a requirement for any of an apology, a process of conciliation, training or some other remedial action.

7.5 If informal resolution is not appropriate or proves not to be possible, the Monitoring Officer shall refer the matter for a formal hearing.

7.6 If the complaint is resolved informally, the Monitoring Officer will report the matter to the Standards Committee for information, but will take no further action.

7.7 In all other circumstances, the Monitoring Officer shall refer the Investigating Officer's report to a panel of the Standards Committee for a formal hearing.

8. The procedure for hearings before a Hearing Panel of the Standards Committee.

8.1 Formal hearings will be conducted by a panel of three councillors drawn from membership of the Standards Committee on the basis of availability plus one of the Independent Persons.

8.2 A member of the Standards Committee, against whom a Code of Conduct complaint has been made, shall not be selected as a member of a Hearings Panel until consideration of the complaint has been concluded.

8.3 Agendas for hearings panels shall be published and hearings panels shall be held in public unless:

- This would involve disclosure of exempt information as defined by Schedule 12A, Local Government Act, 1972; and
- In all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

8.4 Before a hearing panel meets, the Monitoring Officer shall write to the member and to the complainant, asking each:

- Whether they accept the finding in the report
- Whether they dispute any factual part of the report, identifying any areas of dispute.

- Whether they wish to call any witnesses at the hearing. (Only witnesses identified to the Investigating Officer by the complainant or by the member may be called as witnesses. In law, witnesses do not have to attend a hearing panel.)
- Whether the complainant wishes to be present at the hearing. (The complainant shall be invited, but is not obliged, to attend the hearing. If the complainant is not present, the procedure below shall be adapted accordingly.)
- Whether they wish to be accompanied at the hearing.

8.5 In advance of a meeting of a Hearing Panel its members shall seek to agree who will chair the hearing. The Chair may issue directions about the conduct of the hearing. A member of a Hearing Panel shall not act as Chair unless they have received training.

8.6 Subject to the discretion of the Chair, the hearing shall be conducted as follows:

- a. The Investigating Officer will be invited to present their report and to call witnesses. The complainant, the member and the Panel (including the Independent Person), in that order, may ask questions or seek clarification both of the Investigating Officer and any witnesses.
- b. The complainant will be invited to comment on the report and its findings and to call witnesses. The Investigating Officer, the member and the Panel, in that order, may ask questions or seek clarification both of the complainant and any witnesses.
- c. The member will be invited to comment on the report and its findings and to call any witnesses. The Investigating Officer, the complainant and the Panel, in that order, may ask questions or seek clarification both of the complainant and any witnesses.
- d. The Investigating Officer, the complainant and the member will be invited, in that order, to make brief concluding remarks.

8.7 The Chair and Panel, including the Independent Person, may ask for advice at any stage from the Monitoring Officer.

8.8 Once the hearing has been concluded, the Hearing Panel, with the Independent Person, will retire to consider its decision. It may call on the Monitoring Officer to provide advice and guidance. The Hearings Panel is required to do the following: (i) to decide on the facts, (ii) to decide on whether these facts constitute a breach of the Code of Conduct, and (iii) to decide on the appropriate sanction.

8.9 In deciding whether or not to uphold the complaint the Hearing Panel must apply, as the standard of proof, the balance of probability, with the burden of proof resting on the Investigating Officer. The Hearing panel may only make an adverse finding if satisfied, on this basis, that the member has breached the Code of Conduct.

8.10 The Hearing Panel will then return and announce its findings on the facts, with reasons.

8.11 Following announcement of the Hearing Panel's findings, the complainant and the member will be invited to make submissions regarding remedies or sanctions.

8.12 The Hearings Panel will then consider what, if any, sanction it wishes to impose. It may, if it chooses, retire whilst it considers this. It will then announce its decision and give reasons.

8.13 Following the hearing, the Monitoring Officer shall draft a record of the decision for approval by the Hearing Panel. Once the record of decision has been settled, a copy shall be sent to each of the parties.

9. Appealing a Decision about a Complaint

9.1 There is no right of appeal against a decision on a Code of Conduct complaint. If you consider that the complaint has not been considered properly by UDC, you may be able to complain to the Local Government Ombudsman or seek permission for judicial review.

10. Sanctions available to a Hearings Panel

10.1 The Hearings Panel has powers to take action in respect of individual councillors as necessary to promote and maintain high standards of conduct.

10.2 The Hearings Panel may do one, or a combination, of the following:

- a. Issue a formal Censure or Reprimand to the Member
- b. Report its findings to Council (or to the Parish or Town Council) for information
- c. Recommend the Member's Group Leader (or in the case of ungrouped members, recommend the Council or Committees) to remove the Member from appointments to Committees or Sub-Committees of the Council
- d. Recommend the Leader of the Council to remove the Member from any appointment to the Cabinet, or from particular Portfolio responsibilities
- e. Instruct the Monitoring Officer to (or recommend that the Parish or Town Council) arrange training for the Member
- f. Recommend to the Council (UDC) or its Cabinet, or to the Parish or Town Council that all outside appointments to which he has been appointed or nominated by that Authority are removed
- g. Exclude (or recommend that the Parish or Town Council exclude), the Member from the Council's offices or other premises for a specified period, with the exception of

meeting rooms as necessary for attending Council, Committee and Sub-Committee meetings

h. If relevant, recommend that the Council removes the Member from the post of Leader of the Council.

i. Publish its findings in respect of the Member's conduct.

In cases where a Hearings Panel makes an adverse finding against a Member, its decision will be published on the Standards Committee pages of the Council's website. This includes decisions relating to members of Town or Parish councils.
