

WASTE STRATEGY PROJECT TEAM MEETING

3pm on Thursday 2 September 2010
Committee Room District Council Offices Saffron Walden

AGENDA

- 1 Apologies for absence
- 2 Minutes of meeting held on 8 April 2010 (attached)
- 3 **Essex authorities recycling performance figures.**(attached table).
Of particular note is the rise of Rochford to the top spot in Essex. Their rise to this level is dependent upon the collection of green waste. Uttlesford remains in first place for dry recyclables.
- 4 **Recycling Leaflet Distribution**
The new leaflets will be distributed during September and should be complete by the end of the third week. Delivery will be by royal mail (walk sort) and a small number, due to their more rural location will be mailed.
- 5 **Braintree Partnership update**
The recruitment of a suitable Project Manager has been unsuccessful and both authorities are now obtaining proposals and costings for the business case element from Consultants.
- 6 **Textile collection request from Essex Textiles**
Many District Councils are considering agreeing to this company doing a doorstep collection. It will be free of charge and if we work with them we will be entitled to the recycling credit.
- 7 **ECC allocation of future disposal sites**
As ECC's framework agreements are determined we expect to be advised of alternative disposal sites. Members will be updated with our latest understanding of the likely outcomes.
- 8 **Zero Waste modelling**
Exploration of waste minimisation and establishment of baseline figures.
- 9 Any other Business
- 10 Date of next meeting
