Agenda Item 3

INVESTMENT BOARD held at COUNCIL CHAMBER - COUNCIL OFFICES, LONDON ROAD, SAFFRON WALDEN, CB11 4ER, on WEDNESDAY, 23 OCTOBER 2019 at 4.00 pm

Present: Councillors G Bagnall, N Hargreaves, A Khan, P Lavelle, G LeCount, J Lodge, R Pavitt, N Reeve, G Sell and J De Vries

Officers in attendance: A Bochel (Democratic Services Officer), A Webb (Director - Finance and Corporate Services) and N Wittman (Assistant Director - ICT and Facilities)

Also present: Councillors A Dean, A Gerard and B Light
D Brett

IB1 ELECTION OF A CHAIR

AGREED to appoint Councillor Lodge as the Chair of the Investment Board for the meeting on 23 October 2019.

IB2 PUBLIC SPEAKING

Daniel Brett spoke to the Investment Board. A summary of his statement is appended to these minutes.

In response to this statement, Councillor Lodge said there would be some escalation in rates, but it would not be by 100 points. Councils cannot borrow to invest in equities. The Investment Protocol included in the agenda pack was an exemplar document and was not the Council's own strategy.

IB3 APOLOGIES FOR ABSENCE AND DECLARATIONS OF INTEREST

Apologies for absence were received from Councillor Criscione.

IB4 ACTIONS FROM THE LAST MEETING

Members noted the actions from the previous meeting. Some actions would be discussed later in the agenda.

IB5 TERMS OF REFERENCE

Members discussed whether to include the terms of reference of the Investment Board in the Commercial Strategy. The terms of reference would need to be approved by Cabinet, as would any changes, while changes to the Commercial Strategy would need to be approved by Council.

Members noted it was important for the terms of reference to include the Board's status, purpose and outcomes, and how governance would be implemented and monitored.

Councillor Dean said he was concerned that the terms of reference only required a quorum of 7 out of its twelve members. His preference would be for a quorum of 5 or 6 out of a board of 7 members.

Councillor Light said the Board was exclusively male and while she respected the talent on the Board, it would be positive for it to be more diverse.

IB6 PURBECK HOUSE

The Director – Finance and Corporate Services said the purchase of Purbeck House was progressing. A company had been set up, a bank account was in the process of being set up, and lawyers were currently completing due diligence. Everything was on track to finish by early November. A decision needed to be made about whether the third executive director would be a councillor.

In response to a Member question, the Director – Finance and Corporate Services said the capacity of officers was a challenge and would need to be addressed by the Chief Executive at some point.

In response to a Member question, the Director – Finance and Corporate Services said the Council had a risk register and its companies had a separate risk register. The minutes of the Aspire Board were sent to Cabinet, but officers could look to expand the distribution list.

IB7 IMPLICATIONS OF THE PWLB 1% RATE INCREASE

The Director – Finance and Corporate Services summarised the effect of the decision by the PWLB to announce a 1% rise in the cost of new borrowing with immediate effect. Whilst the decision would have a material impact on the income from new investments, it actually opened up a new funding stream as since the announcement, the Council had been approached by a number of brokers offering to undercut PWLB rates by 20 to 40 basis points (0.2% - 0.4%) depending upon the term and risk. The Council had expressed interest with the brokers.

In response to a Member question, the Director – Finance and Corporate Services said when the Council took out a loan with Phoenix, the tenders were whittled down through interviews with the Executive Directors and the Portfolio Holder – Finance and Administration.

In response to a Member question, the Director – Finance and Corporate Services said the Board would be able to scrutinise the tender process to ensure they were content with the outcome before making recommendations to Cabinet.

IB8 COMMERCIAL STRATEGY

The Director – Finance and Corporate Services gave a summary of the report which brought forward possible revisions to the strategy. The purpose of the strategy was to identify a shortfall in the Medium Term Financial Strategy and find a way to deal with this shortfall.

Members noted the importance of a strategy which could be easily communicated to and understood by the public.

Members discussed whether there would be a benefit to a Member holding a position as a director of the Aspire companies.

AGREED to Officers being the Executive Directors of the wholly owned companies and for named Councillors to have nominated observer status at the board meetings of the Aspire companies.

Councillor Sell said the Board ought to consider the option of working with other councils on investments.

IB9 INVESTMENT PROTOCOL

The Director – Finance and Corporate Services said the Investment Protocol that had been included in the agenda pack was an example protocol. He would need to do further work on this and bring it back to the next meeting.

IB10 DATE OF THE NEXT MEETING

It was agreed to fix a time for the next meeting at a future date.

IB11 EXCLUSION OF PUBLIC AND PRESS

RESOLVED to exclude the public and press for the following items on the grounds that they contained exempt information within the meaning of s.1 etc

IB12 INVESTMENT OPPORTUNITY 1

The Director – Finance and Corporate Services gave a summary of the report. He said he would be in touch with the company by Friday 1 November with a proposal. The offer was currently off-book, so had not been offered to anyone else.

In response to a Member question, the Director – Finance and Corporate Services said the Council was being offered the opportunity because it would be a long term investor and add value to the business.

The Committee noted the opportunity.

IB13 **INVESTMENT OPPORTUNITY 2**

The Director – Finance and Corporate Services summarised the report. He said the opportunity was off-book.

In response to a Member question, the Director – Finance and Corporate Services said the cost of due diligence on the opportunity would be roughly £10,000 - £15,000.

The Committee noted the opportunity.

The meeting ended at 6.00pm.

Situation

5. Attached as Appendix One is the draft advertisement for the appointment of two Non-Executive Directors to Aspire (MRH) Ltd.
6. The approved advertisements will then be placed on the Council website and on the Non-Executive Directors website.

Appendix One

Aspire (MRH) Ltd
Non-Executive Director x 2
Salary - £520.25 per annum to include expenses

Aspire (MRH) Ltd is a wholly owned subsidiary of Uttlesford District Council.

It was established in November 2019 to acquire residential properties for rent, as a source of income to support the services provided by Uttlesford District Council to its residents.

The company is in the process of acquiring its first properties - 10 flats in Purbeck House, Cambridge. It is intended to purchase additional properties to build, over the next year, a property portfolio worth close to £10 million.

The Board of Aspire (MRH) Ltd consists of three executive directors who are all employees of Uttlesford District Council. The Council is seeking to recruit two Non-Executive Directors to sit on the Board to support and advise the three Directors.

We are looking for people who will add to the strengths of the existing Directors and support the business as it grows in the most exciting period that the Council has seen in a generation.

Experience of the private housing sector is not a requirement but we would expect you to have a business background, probably at board level.

It is anticipated that the Board will meet four times a year; however there may also be the need for ad hoc meetings. All meetings will be held in Saffron Walden.

For an informal discussion please contact Adrian Webb, Director of Aspire (MRH) Ltd on 01799 510421.

If you are interested in this post please telephone 01799 510409/424 for an application form. Completed application forms, with accompanying CV if relevant, should be returned to Human Resources or emailed to humanresources@uttlesford.gov.uk

Closing date for completed applications is **midday on Monday 13 January 2020.**

Interviews will be held on **Tuesday 28 January 2020.**

We positively welcome applicants from all sections of the community.

Summary

1. This report sets out the advertisement and timetable for the recruitment of the Independent Members to the Investment Board

Recommendations

2. Members approve the advertisement and timescales contained within it.

Financial Implications

3. The cost of the roles will be built into the 2020/21 budget and will be funded from the investment income.

Situation

5. Attached as Appendix One is the draft advertisement for the appointment of two Independent Members to the Investment Board
6. The approved advertisements will then be placed on the Council website and on the Board Members website.

Appendix One

Uttlesford District Council Investment Board Independent Member x 2 Salary - £520.25 per annum to include expenses

Uttlesford District Council is recruiting two Independent Members for its Investment Board to provide support and challenge as it develops its asset portfolio.

Central Government funding for local authorities has been reducing for many years. Councils such as Uttlesford are now in the position where they need to generate additional income from a variety of sources, including commercial property investment.

In 2017 the Council, through a wholly owned subsidiary, acquired a 50% share in Chesterford Research Park (CRP) in a joint venture partnership with Aviva Life and Pensions. This venture has proved extremely successful with a significant revenue receipt being received by the Council each year (approximately £1.7 million per annum after cost of borrowing).

In February 2019 the Council agreed, in principle, to an investment allocation of £20 million for further development at CRP and £80 million for investment elsewhere in the country.

The Council has established an Investment Board to guide and steer it through its acquisition process and to monitor the performance of its commercial portfolio. The Board is made up of elected councillors. The income raised from existing and future investments will be used to fully support the services currently provided by the Council to its residents.

A second wholly owned company, Aspire (MRH) Limited, has been established to acquire properties for rent at market rent levels. This company is currently in the process of acquiring its first properties - 10 flats in Purbeck House, Cambridge. It is intended to purchase additional properties to build, over the next year, a market rent housing property portfolio worth close to £10 million.

The Council is currently evaluating several other commercial investment opportunities.

As Independent Members of the Investment Board we are looking for people who will add to the strengths of the existing Board members, and support and challenge the Council as it develops its asset portfolio. Experience of property investment is required, preferably as part of a business background, and probably at board level.

It is anticipated that the Board will formally meet quarterly; however there may also be the need for ad hoc meetings as investment opportunities arise. All meetings will be held in Saffron Walden.

For an informal discussion please contact Adrian Webb, Director of Finance and Corporate Services on 01799 510421.

Introduction

1. The Council recognises that as a consequence of reducing government funding there is an increased requirement to generate additional income to underpin the core services provided by the Council to its residents. Traditional ways of generating additional income such as through Council Tax and fees and charges will not be able to absorb the reduction in government funding. By way of illustration, a 1% rise in Council Tax is equivalent to about £55,000 in additional income.
2. This document replaces the Commercial Strategy 2019 to 2023 as approved by Full Council on 8 Octo

Purpose of the Investments

3. To provide a long term income for the council to support the provision of Council services. This income requirement has arisen as a result of reductions in the Council's finance from central government. Government also restricts the ability of councils to raise income from council tax increases.
4. The Council seeks to operate in the most cost effective ways and will look for improvements in its operations which will reduce costs or avoid increased costs. However the scale of reduction in external finance is such that other income sources must be found. Reductions in council services are considered a last resort.
5. The income target for the Board will be guided by the Medium Term Financial Strategy (MTFS). The MTFS forecasts the income and expenditure over a four year period and includes all known factors. It shows the predicted annual net surpluses or deficits. The investment income is sought to cover the forecast significant deficits in each of the years of the MTFS, so as to ensure that existing services can continue to be provided.

Current Portfolio

6. In May 2017 the Council, through its wholly owned subsidiary Aspire (CRP) Ltd, acquired a 50% share in Chesterford Research Park and formed a joint venture with Aviva Investors. As part of the Cambridge Life Science cluster the Park is world renowned, having been in existence for 19 years, with available space to significantly increase the commercial floor space, plus expand the Park into other areas of research to diversify and reduce the risk.

7. The Council gave a loan to Aspire (CRP) Ltd for the purchase of 50% of Chesterford Research Park (£47.25m). The loan was funded by
- a. Phoenix Life – borrowing of £37m for 40 years on a repayment basis @ 2.86% fixed. The first £10m drawdown was 5 July 2017 with the remainder as follows

5 July 2020 - £12m

5 July 2021 - £15m

Whilst this loan is being drawn down the balance will be funded by a mix of local authority and internal borrowing – The amount of each varies during the year dependant on the level of UDC balances available. Average interest rate, interest only, is 0.7%

- b. Use of reserves and balances (£10.25m) funds the balance.
8. For 2019/20 the income from Chesterford Research Park is expected to be £2,130,000 with the cost of borrowing being £400,000. There is also repayment of staff time.

Loans to wholly owned subsidiaries

9. The Council recognises that, to further support the budget ongoing and to ensure the continued delivery of services at the level currently provided, further investment in the expansion of Chesterford Research Park will be necessary. The first set of additional loans relate to the refurbishment of the Newnham Building. To date, the following loans to Aspire (CRP) Ltd have been made

Date	Amount	Term	Rate	Basis	Annual Repayment	Building	Repaid
03/05/2017	£47,250,000	50 years	4%	Interest Only	£1,890,000.00		
27/06/2017	£60,000	10 months	4%	Interest and principal	£61,827.95		✓
26/03/2018	£223,000	49 years 1 months	4%	Interest only	£8,920.00	Newnham	
02/01/2019	£2,518,000	48 years 4 months	4%	Interest only	£100,720.00	Newnham	
20/08/2019	£3,000,000	20 years	4.5%	Interest and principal	£230,630.00	Newnham	

10. In addition there is approval for a further loan of £1.25m for the fit-out of the Newnham Building on an interest and principal basis over 20 years at an interest rate of 4.5%. This will be drawn down during the latter part of 2019/20 as the Newnham Building refit progresses.

The future

11. The Council is committed to investing in the Park. The Council is keen to see existing tenants expand and grow on the Park and for the Park to attract new tenants from a diverse range of research activities. The Park is within the district boundary and investing helps to sustain existing employment, introduce new employment opportunities and generate additional Business Rates. As part of the 2019/20 Investment Strategy, approved by Full Council in February 2019, an in principle agreement to invest up to £20million at the Park over the next three years was approved.

12. Full Council in February 2019 also agreed an in principle sum of £80million for investments outside of CRP. This sum will, in the main, be invested out of area to offset risks of investing in a small geographical area. To minimise risk to the investment the Council will, in the main, concentrate on areas with above average;

- Population growth projections
- Employment growth projections
- Gross Domestic Product (GDP) growth projections

13. The Investment Portfolio may include a mix of

- Multi-let urban industrial
- Offices in dynamic cities
- Single-let long lease
- Convenience retail
- Market rent housing

14. The portfolio will also have a mix of lease lengths again to provide a balance.

15. Evaluation of potential opportunities will be made using a RAG based approach on criteria agreed by the Investment Board.

Borrowing, the Prudential Code and Statutory Guidance on Local Government Investments

16. The Council can rely on a variety of statutory powers to borrow and invest. Where the primary purpose of borrowing and investment is to secure a financial return, the Council has powers under sections 1 and 12, Local Government Act 2003. Section 1 provides that:

A local authority may borrow money—

- (a) for any purpose relevant to its functions under any enactment, or*
- (b) for the purposes of the prudent management of its financial affairs.*

Section 12 states:

A local authority may invest—

- (a) for any purpose relevant to its functions under any enactment, or*
- (b) for the purposes of the prudent management of its financial affairs.*

17. Where the Council proposes to rely on the borrowing powers in Local Government Act 2003 section 15 of the Act makes it a requirement to “have regard –

- (a) to such guidance as the Secretary of State may issue, and*
- (b) to such other guidance as the Secretary of State may by regulations specify for the purposes of this provision.”*

The current guidance to which the Council must have regard is:

- Statutory Guidance on Local Government Investments (3rd Edition) issued by the Secretary of State; and
- The Prudential Code issued by CIPFA.

18. The Statutory Guidance contains two paragraphs on what is termed “borrowing in advance of need. The guidance states:

46. Authorities must not borrow more than or in advance of their needs purely in order to profit from the investment of the extra sums borrowed.

47. Where a local authority chooses to disregard the Prudential Code and this Guidance and borrows or has borrowed purely to profit from the investment of the extra sums borrowed the Strategy should explain:

- *Why the local authority has decided not to have regard to this Guidance or to the Prudential Code in this instance; and*

- *The local authority's policies in investing the money borrowed, including management of the risks, for example, of not achieving the desired profit or borrowing costs increasing.*

19. The Council will adopt a “case by case” approach in considering whether to depart from the Statutory Guidance and the Prudential Code where the primary purpose of borrowing is to “profit from the investment of the extra sums borrowed”. In reaching a decision, the Council will balance the need to generate additional income to underpin core services to Uttlesford residents against the risks involved in taking on the borrowing and against the risks involved in the investment to be funded by borrowing. It will ensure that investments funded by borrowing in these circumstances are proportionate to the need to make good shortfalls caused by the reduction in Government funding. Given the Council’s acute funding shortfall and the likely consequences for Uttlesford residents of not being able to maintain core services without additional funding, the Council is likely to depart from the Statutory Guidance and from the Prudential Code where sound investment opportunities are identified.

20. The Council will set out for each investment the risks associated with the investment, be they specific or industry/sector. These will be monitored on a regular basis by the Investment Board, and where necessary recommendations will be made to the Cabinet. The Council maintains a Medium Term Financial Strategy Reserve which is retained for use in the event of a significant drop in revenue income from an investment.

Key Performance Indicators (KPIs)

21. A suite of KPIs will be developed by the Investment Board for reporting by the Aspire companies on a quarterly basis. These KPIs will be used, as part of suite of information, to inform future investments and disposals and therefore the make-up of the portfolio

Investment Protocol

22. An Investment Protocol will be developed alongside this strategy which sets out the criteria in detail.

Security, Liquidity and Yield

23. As the Council only has a small amount of money of its own to invest, any further expansion of the commercial strategy will necessarily be funded from a mix of external borrowing, from financial institutions, Public Works Loan Board

(PWLB) and other local authorities. The Council will not invest in high yield, high risk opportunities. This will be reflected in yield expectations which are currently 3 – 7%.

24. Investments at Chesterford Research Park will be made by way of loans to Aspire (CRP) Ltd the Council's wholly owned subsidiary. All commercial investments outside of CRP will be undertaken by the Council. Property purchase for letting at market rents will be undertaken through a new wholly owned subsidiary company Aspire (UDC) Ltd.
25. By investing mainly, but not exclusively, in areas of above average population growth, employment growth and GDP growth the risk to the Council investment will be reduced.
26. Financing of acquisitions will be decided on a case by case basis. In almost all cases a mix of repayment and interest only loans will be undertaken, with the split being agreed by Cabinet.
27. The option to liquidate funds is either by selling the investment (or part thereof) or by refinancing the debt.

Risks

28. Each investment must be considered independently and only those viewed as having a positive expected yield and an acceptable risk profile will be taken forward for consideration by the Council.
29. The Council takes advice from its professional advisers at all times. For example, with the purchase of the 50% share at Chesterford Research Park the Council engaged
 - Arlingclose as its financial advisers who project managed the funding tender
 - Cushman and Wakefield who undertook all of the purchase negotiations and due diligence
 - Hogan Lovells for Legal due diligence
30. For Aspire (CRP) Ltd the Council has appointed two non-executive directors to serve on the Board and bring independent challenge and support. The new delivery company, Aspire (UDC) Ltd, will also have two non-executive directors on the Board.
31. The Aspire companies will use a range of specialists which will vary between investments. This will ensure the continued professionalism and sector knowledge.

32. A risk register will be maintained for each investment and these will be monitored by the Investment Board on a regular basis.

Proportionality

33. The aim of the Commercial Strategy is to generate income to underpin the Council's core budget, to invest in other income generating opportunities and also good causes for the district.

34. The Council's main investment at Chesterford Research Park comprises eleven core buildings and circa twenty tenants. For the income to be below the interest repayment amount three of the five largest tenants would be required to default on their tenancy agreement at the same time. Even with this relatively low risk it is important to attract different types of research business to the Park.

Capacity, Skills and Culture

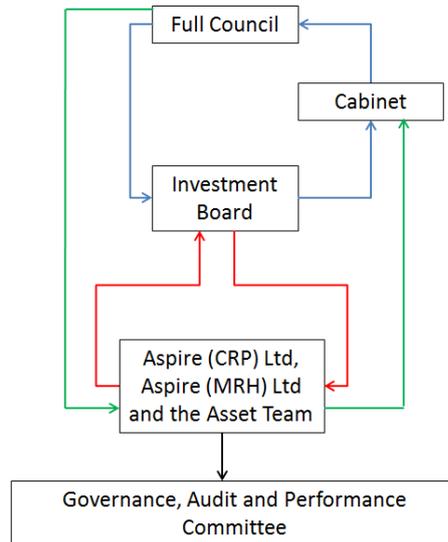

Investment Board (IB)

35. The IB will operate in accordance with the Commercial Strategy which is adopted annually by Full Council. Cabinet will delegate to the Leader; Portfolio Holder for Finance and Budget and the S151 Officer (or Assistant Director of Resources for Aspire investments) to conclude investments where authorisation has been given by Full Council.

36. Constitution of the IB

- a. The IB is a Working Group of Cabinet and membership will be determined by the Leader of the Council
- b. In addition there will be two independent members to supplement the skills of the elected Members.

37. The investment decision making and monitoring process is as set out overleaf

38. Democratic Process (blue line)

- a. As part of the annual budget setting process, Cabinet develops the Commercial Strategy in consultation with the IB. Cabinet recommends to Council the adoption of the Commercial Strategy.
- b. Council adopts the Commercial Strategy.
- c. The IB develops a protocol to implement the Commercial Strategy which will be approved by Cabinet.
- d. The Cabinet will receive from the IB quarterly updates, including KPIs, on the performance of the portfolio.
- e. For new investments, the IB reviews the business cases and if appropriate supports a recommendation to Cabinet for the acquisition.
- f. Cabinet reviews the investment and if satisfied recommends to Council that funding is made available. Given that the IB will be constituted by members with a knowledge of commercial investment, supplemented with external training as necessary, and supported by industry expert independent people, it is acknowledged that Cabinet will not, without good reason duly considered, reject opportunities presented by officers that are supported by the IB.
- g. Ahead of the Council meeting, the IB Chairman, along with officers, undertakes an all-Member briefing session to set out the investment and the reasons for its recommendation.

39. Internal Process (red line)

- (a) The IB provides the two Aspire companies with a Commercial Protocol and sets out in detail the type of new investments it is seeking. Aspire (CRP) Ltd looks after developments at Chesterford

Research Park, whilst Aspire (MRH) Ltd is responsible for residential housing to be let at market rents. The Council's Asset Team will manage all other non-CRP commercial investments.

- (b) Depending on the category of investment sought, Aspire (MRH) Ltd, Aspire (CRP) Ltd or the Asset Team, working with professional advisors, will identify investments which meet the protocol set out by the IB. They will prepare investment business cases for consideration by the IB. The IB will review and consider the cases in detail and if suitable will make the recommendation to the Cabinet to proceed. Approval by the Boards the Aspire companies is also required prior to submission to the IB.
- (c) The Aspire companies, along with the Asset Team, prepare the quarterly KPI and other information for submission to the IB.

40. New Investments (green line)

- (a) At an Extraordinary Meeting of Council a decision is taken on whether or not to allocate the funding.
- (b) If the investment is agreed, funding will be made available to the relevant Aspire company or to the Asset Team to enable the purchase to be made.
- (c) The Aspire companies report annually to the Cabinet as the shareholder board of the Council.

41. Governance, Audit and Performance Committee (GAP) (black line)

- (a) A report on annual performance of the Aspire companies is taken to the GAP Committee. A similar report will be presented by the Asset Team.

Joint Working

- 42.** The Council recognises the benefits of working with other parties, be they local authorities or private sector. Joint Working mitigates risk and has the potential to enable the Council to consider new commercialisation opportunities in markets that alone they would not be able to do so.
