Public Speaking

At the start of each agenda item there will be an opportunity for members of the public to make statements relating to applications being determined by the District Council, subject to having given notice by 2pm on the day before the meeting. Please register your intention to speak at this meeting by writing to committee@uttlesford.gov.uk. Speakers can either attend the Council Chamber or speak through Zoom.

When an application is to be determined by the Planning Inspectorate (PINS) the purpose of the report to Planning Committee is not to determine the application but to provide the PINS with the Council's view of the planning application. The role of the District Council is solely as a statutory consultee on the planning application; its consultation runs parallel with other statutory and non-statutory consultees.

The Planning Committee is not the opportunity to make representations directly to the decision maker and as such no public speaking on this matter will be afforded to either third parties or the applicant. Please find further information [here](#) regarding submitting representations directly with PINS.

There is a capacity limit for attendance in person in the Chamber and seats will be available on a first come first serve basis, so please do get in touch as soon as possible if this is of interest. For further information, please see overleaf. Those who would like to watch the meeting live can do so virtually [here](#). The broadcast will be made available as soon as the meeting begins
