Situation

6. This premises is an existing coffee shop set in the 3 acre grounds of Little Barn, Park Road, Little Easton, Dunmow Essex CM6 2JH, which also has a swimming pool exclusively for children's swimming lessons. The café is not open to the general public and is for the use of the swimming club members only. The café currently provides a selection of coffee, cakes and snacks but would like to be able to offer bottled wines and beers to their customers. The proposed licensable activities and times can be read on page 5 of the application form. (Appendix A).
7. The proposed licensable activities are below:
 - Supply of Alcohol for consumption both on and off the premises between the hours of 0800 and 2300 Monday to Saturday and 0800 and 2000 on a Sunday.
8. Copies of this application have been served on all the statutory responsible authorities and the public notice, which did attract representations from members of the public as per appendixes C-O. No objections were received from the responsible authorities however the Police have requested for a number of conditions to be added to the licence, as shown in appendix P
9. In carrying out its statutory function, the Licensing Authority must promote the licensing objectives as set out in the Licensing Act 2003. These are:
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm
10. There is no hierarchy of importance among the objectives, and all must be given equal weight.
11. The decisions that the Committee can make in respect of this application are to:
 - Grant the application
 - Modify the application by inserting conditions

- Reject the whole or part of the application
12. When determining an application, due regard should be given to the Council's Licensing Policy and the Secretary of State's Guidance issued in accordance with the 2003 Act.
 13. The Secretary of State's Guidance provides at paragraphs 10.8 and 10.10 the following assistance for members:
 - 10.8 "The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. In order to promote the crime prevention licensing objective conditions must be included that are aimed at preventing illegal working in licensed premises."
 - 10.10 "The 2003 Act requires that licensing conditions should be tailored to the size, type, location and characteristics and activities taking place at the premises concerned. Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided. Conditions that are considered appropriate for the prevention of illegal working in premises licensed to sell alcohol or late night refreshment might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check is retained at the licensed premises. Licensing authorities and other responsible authorities should be alive to the indirect costs that can arise because of conditions."
 14. If the Committee's decision is to impose conditions, the only conditions that can be imposed are those that are necessary and proportionate to promote the licensing objective relevant to the representations received. Furthermore, the Committee should not impose conditions that duplicate the effect of existing legislation.
 15. The decision may be appealed by the applicant or any other party to the hearing within 21 days of the written notification of the determination made by the Committee.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We are committed to promoting all four licensing objectives, which are fundamental to the responsible operation of our premises. To achieve this, we will implement the following measures:

CCTV Surveillance: We will install and maintain a CCTV system on the premises to monitor and deter any criminal activities. This will enhance security and contribute to the prevention of crime and disorder (objective b).

Trained Staff: Our staff will undergo comprehensive training in responsible alcohol service and conflict resolution. This will ensure that they are well-equipped to handle any situations that may arise and will contribute to public safety (objective c).

Noise Control: We will implement noise control measures to prevent public nuisance (objective d). This includes soundproofing the premises to minimise noise disturbances to neighbouring properties.

Age Verification: Strict age verification procedures will be in place to prevent underage access to the premises, including the sale of age-restricted products. This will contribute to the protection of children from harm (objective e).

b) The prevention of crime and disorder

To specifically address the prevention of crime and disorder, we will:

Cooperate with local law enforcement agencies and share relevant information to prevent criminal activities.

Maintain a zero-tolerance policy for disorderly conduct and engage in responsible alcohol service.

c) Public safety

Conduct regular safety inspections to identify and rectify any potential hazards.

Provide clear exit routes and fire safety measures.

Collaborate with local emergency services to ensure a rapid response in case of any incidents.

d) The prevention of public nuisance

To prevent public nuisance, we will:

Monitor noise levels within and around the premises to ensure compliance with local regulations.
Address any complaints promptly and take appropriate action to mitigate disturbances.
Regularly review and update our noise control measures.

e) The protection of children from harm

To protect children from harm, we will:

Clearly display age-restricted product signage.
Train our staff to verify the age of customers when purchasing age-restricted products.
Implement strict policies to prevent minors from accessing the premises.

3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
 - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
 - does not have the right to live and work in the UK; or
 - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

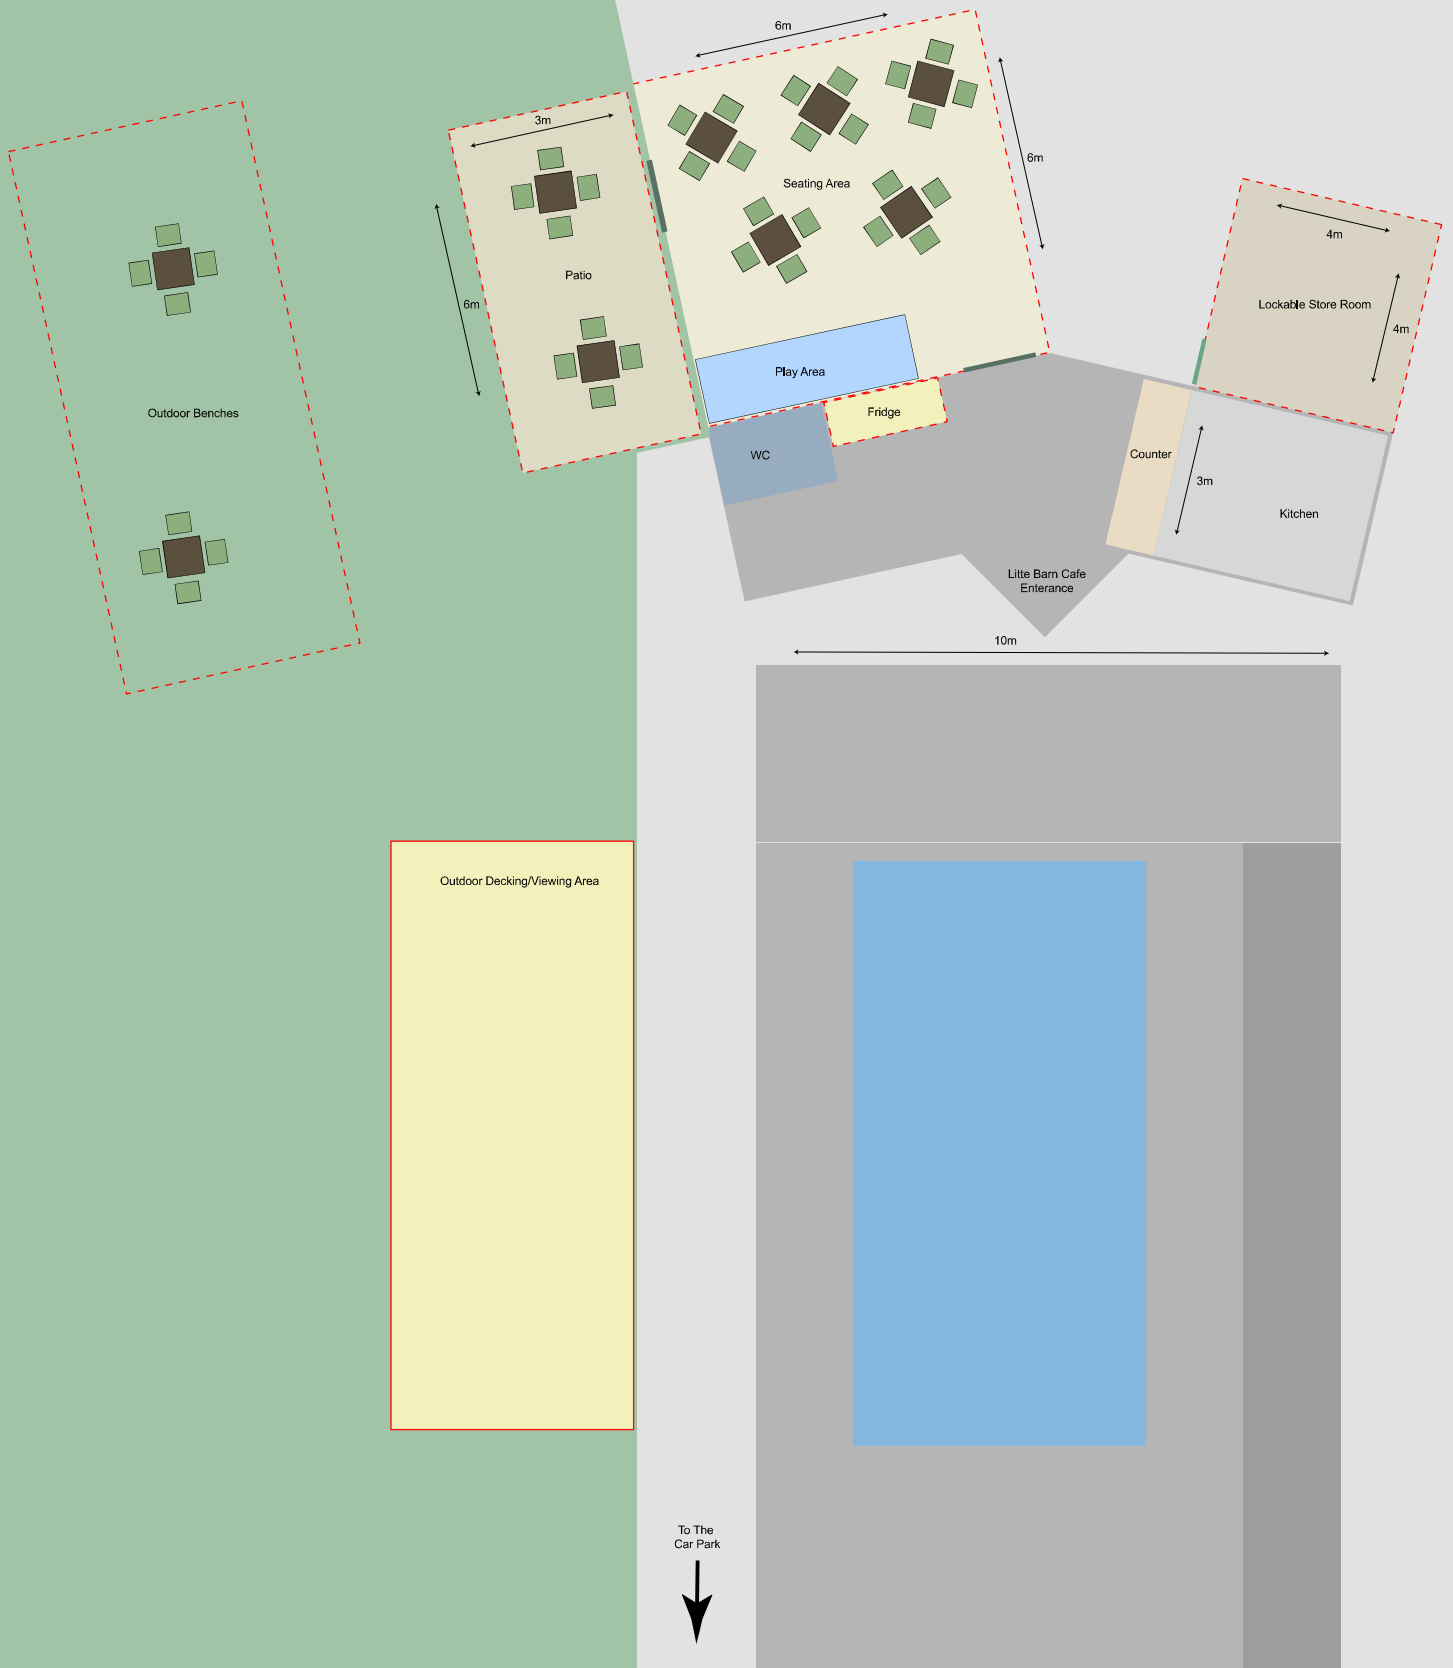

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

The Mini Swimming classes at Little Barn, Park Road, Little Easton is for small children from 6 months to 7or 8 years. There is no necessity for the parents/carers for these children to require alcohol while on the premises. The number of cars going to these classes is many and not always driven in accordance with the speed restrictions in Mill End, Little Easton and this can only get worse with the use of alcohol.

Considering that the primary clientele of Mini Swimming is comprised of parents driving their babies and children to swimming lessons, the prospect of alcohol consumption raises significant safety concerns.</p> <p>None of the parents driving their young ones to and from swimming lessons should need alcohol, and it is essential to recognize the legal implications associated with consuming alcohol before operating a vehicle. Granting an alcohol license to Mini Swimming may inadvertently encourage unsafe practices and put the well-being of the children at risk.</p> <p>Moreover, the potential combination of alcohol consumption and driving could compromise the safety of the roads in our small village, creating a hazardous situation for both pedestrians and drivers. I urge the Council to consider these factors when evaluating the overall impact of the alcohol license application.</p> <p>In light of these concerns, I respectfully request that the Council take into account the potential risks to the safety of children attending Mini Swimming and their families, especially considering the legal obligations related to alcohol consumption and driving.</p>

If alcohol is sold in a venue primarily aimed at children's activities, this poses a significant risk to their protection and welfare. Alcohol impairs judgement and behaviour, increasing the likelihood of accidents and incidents that could harm children.

under public safety, please state why.	The increase of traffic due to the swimming pool has grown hugely and there have been many times where there have nearly been some very nasty accidents either along Mill End or turning in and out of the gate to the cafe/pool. I worry putting alcohol in the mix could make driving in this small village even more dangerous.

If you are making a representation under the prevention of public nuisance, please state why.	The owners of Little Barn have done a huge amount of clearing within their garden. They have built a play area, with climbing frames, wigwams etc and have put many picnic benches out. While this is lovely for the members of the swimming pool, as they have cleared many trees and hedging, the noise from the school travels and can be heard clearly by residence near by. It also allows people to have a direct view into the garden and house of the next door neighbour. No consideration was given to the neighbours and `I can only imagine the noise from the play ground will be quite intrusive through the summer months. If an alcohol license is granted this will encourage people to stay longer and make more noise, as well as making driving home more dangerous.

As stated above I think the growth of the business in the the Barn has been very impressive, particularly with the swimming pool. I want to make a representation under the prevention of public nuisance	Yes
If you are making a representation under the prevention of public nuisance, please state why.	This is a rural residential location. The application is by a children's swim school with no need to offer parents with children having driven to the location alcohol. A licence can only mean an expansion of the business to pool parties and similar events which are not in keeping with a residential property in a quiet location which will lead to public disturbance, noise pollution potential for drink drivers due to zero public transport to the location.

Comments	
Your may give any additional positive or negative comments about the application but they will not be considered by the committee	This is a residential property with a pool which has been turned into a worth while business teaching children to swim... to allow a licence to this means an expansion of the business. Which really in not in keeping with its location and surrounding.
