Summary

- 1. This report sets out detailed revenue estimates for the General Fund and Council Tax for 2019/20, for consideration by the Scrutiny Committee, Cabinet on 12 February ahead of final determination by Full Council on 21 February.
- 2. This budget must be considered alongside the report made by the Director of Finance and Corporate Services under Section 25 of the Local Government Act 2003, included as an item earlier in the agenda. The budget is consistent with the Medium Term Financial Strategy also presented earlier on the agenda.
- 3. The estimates, as summarised in Annexe H1, show a Council Tax Requirement of £5,657,106 which balances to the level of Council Tax yield, assuming an increase of 2.99% in Council Tax.
- 4. The estimates in this report are based on the recommended Capital Programme, Treasury Management Strategy, Investment Strategy and Housing Revenue Account budget for 2019/20 considered earlier in this agenda.

Budget Strategy and Consultations - 2019/20

- 5. During the summer 2018, a consultation on the Council's budget priorities was completed using multiple methods in order to obtain a wider body of opinion from Residents and Local Businesses.
- 6. The outcomes of the consultations were presented to the Scrutiny Committee and Cabinet in November 2018, full details of the reports can be found using the following link:

Cabinet Budget Consultation 2019.20

7. When setting the budget for 2019/20 consideration was given to both the residents and businesses responses on service priorities. The table below details how these priorities have been addressed within the budget.

Respondents Priorities	Consistency with Budget
Emptying Bins and running the recycling service	Service restructured and appointment of Assistant Director to lead a programme of effective and efficient service delivery improvements
Working with the police and other organisations to keep Uttlesford Safe	Funding of 2 PCSO's and match funding of PCSO's in 2 parishes Police located in the Lodge House and in the main reception area
Sweeping the streets, Litter picking, fly tipping and dog bins	In 2018/19 additional resources of 4 new team members were added to the service and this resource has been maintained in the 2019/20 budget

Respondents Priorities	Consistency with Budget
Planning district development, new housing and business locations	Funding allocated to support the delivery of Garden Communities
Ensuring planning applications adhere to approved plans and comply with Building Regulations	Substantive posts are now filled with a reduction in the requirement for agency resources. Investment in an apprenticeship to support service resilience within building control
Providing Council homes and sheltered accommodation for the elderly	A full programme of development is included in the Housing Revenue business plan and this can be seen in the earlier agenda item for the Housing Revenue Account budget setting report
Educating young people on the dangers of drugs and alcohol	Continued provision of a Health and Wellbeing team working in partnership with other organisations within the district

Council Tax - 2019/20

- 8. By law the budget (Council Tax Requirement) has to balance to the expected Council Tax income receivable.
- 9. The Director of Finance and Corporate Services (s151 Officer), under delegated authority, has approved the gross Council Tax base of 39,185.91 to be used for setting the 2019/20 draft Council Tax, an increase of 2.69% on the 2018/19 figure of 38,159.09.
- 10. The Tax base for the purposes of budget setting is calculated by deducting the Local Council Tax Support Discounts from the gross Council Tax base of 39,185.91. The estimate of these discounts in Band D equivalent terms is 1,872.76 and this produces a Tax base for budget setting purposes of 37,313.15.
- 11. The 2018/19 UDC Band D Council Tax was £147.21. In accordance with the Cabinet's guidance, an increase of 2.99% has been assumed for the purpose of preparing this report; this gives a Band D figure for 2019/20 of £151.61. Multiplied by the taxbase, this would produce a Council Tax yield of £5,657,106.
- 12. The Council is therefore required to balance its net budget to a Council Tax Requirement of £5,657,106; this is illustrated in the table below.

	2018/19	2019/20	% Change
Taxbase (gross)	38,159.09	39,185.91	2.69%
LCTS Discounts	(1,948.20)	(1,872.76)	-3.87%
Taxbase (net)	36,210.89	37,313.15	3.04%
Band D	£147.21	£151.61	2.99%
Council Tax Yield	£5,330,605	£5,657,106	6.03%
		_	

13. The Council Tax Yield is higher than the equivalent sum for 2018/19, this is explained below:

2018/19 Council Tax Requirement	£5,330,605
Additional income arising from Taxbase increases	£167,115
Additional income arising from UDC 2.99% increase	£159,386
2019/20 Council Tax Requirement	£5,657,106

- 14. The £5,657,106 figure represents estimated Council Tax income, but for budget purposes it is treated as a UDC levy on the Collection Fund and is therefore a reliable figure. Inevitably the actual amount of Council Tax income will differ from the assumed amount due to in year changes in Local Council Tax Support, reliefs, empty properties and level of collection. This will give rise to either a surplus or deficit on the Collection Fund which will be taken into account as part of next year's budget setting.
- 15. Assuming an increase of 2.99% in Council Tax, the amount of Uttlesford Council Tax, by each Council Tax band, is shown below.

Band	Chargeable Dwellings		Proportion of Band D	2018/19 UDC Council Tax	2019/20 UDC Council Tax	Increase 2.99%

General Fund Budget

- 16. The 2019/20 budget has a surplus of £2.200 million (more details in paragraph 22); this surplus is due to a change in the Business Rates appeal provision. The level of provision held is based on advice from our independent advisors, Analyse Local, who specialise in this area. The revaluation of Hereditaments in 2017 and change to the appeals process has significantly reduced the financial risk in the level of appeals expected.
- 17. A summary of the 2019/20 General Fund budget is shown in the table on the following page. A more detailed summary is set out in Annexe H1 and each portfolio budgets are set out in Annexe H2.

Council Tax Requirement - 2019/20	=	5,657

- 20. The direct service budget shows a net budget reduction of £17,000, the key elements of the changes are explained in the following points:
 - The budget movements to restated base are items of expenditure which were approved for 2018/19 only and have now been removed from the budget
 - Inescapable growth relates to inflationary and incremental increases for salaries and other service expenditure inflation
 - The service growth of £1,053,000 is partly supported by £309,000 drawdown on the planning reserve and £145,000 of the growth is directly matched by new income. This gives a net service growth of £599,000
 - The increase in income is related to changes to fees, introduction of new charges for services, inflationary increases in services provided and increases in demand
 - Efficiency Savings are related mainly to a reduction in the gate fee charged for disposal of waste, service restructures and reduction in posts where more efficient ways of working have been identified
- 21. The capital financing decrease is due to expected funding of the New Depot Site and is matched by a reduction in the use of reserves. As the timeline for this project is currently not defined this has not been included in the 2019/20 budget, but the funds will be held in the reserve and released as necessary to cover the cost of the project.

- 22. The collection fund amount of £2,305,000 is the increased income released from the Business Rates appeals provision and the prior year surplus for both Council Tax and Business Rates. The element relating to the release of the provision of £2,202,000 has been allocated to reserves in the following amounts, included in the Section 25 and Reserves Strategy presented earlier in tonight's agenda;
 - Funding Reserve £1,059,000
 - EU Exit Reserve £200,000
 - Business Rates Reserve £941,000

Risks and Assumptions

23. The key areas of risk both adverse and favourable are detailed in the Section 25 report, Robustness of Estimates and Adequacy of Reserves presented earlier in the agenda, a full analysis of all operational service risks and assumptions have been included in Annexe H4.

Local Government Finance Settlement

- 24. On the 13 December the Council received the provisional notification of the settlement for 2019/20. Final figures are expected to be confirmed in early February.
- 25. There is continued uncertainty about the level of funding in future years and this is discussed in more detail in the Medium Term Financial Strategy (MTFS) earlier in the agenda.

General Fund Reserves

- 26. The forecast on the Working Balance as at 31 March 2019 is set to ensure that we meet the minimum contingency requirement.
- 27. The report made by the Director of Finance and Corporate Services (s151 Officer) under Section 25 of the Local Government Act 2003, received earlier in today's agenda, recommended that the Working Balance be maintained at £1,308,000, this is included in the 2019/20 Budget.
- 28. Annexe H5 shows a summary of the current reserves, a detailed breakdown of the reserves transfers and the working balance calculation is shown within the Section 25 report and the Reserves Strategy.
- 29. The table below shows how the reserves have been allocated in the 2019/20 budget.

Use of Reserves - to/(from)	£'000	Details of reserve allocations
Working balance	28	To meet the minimum contingency level
Business Rates	941	In year surplus to meet potential future year deficits
EU Exit	200	In year surplus to support impacts of EU Exit
Funding	1,059	In year surplus to support reduction in funding from 2020/21
Waste Management	170	To support the potential fluctuations in the costs of disposal
Licensing	24	Surplus relating to 3/5 year licensing fee schedules
Planning	(309)	To support the production of the Development Plan Document
Elections	(55)	Drawdown for Local Elections
Homelessness	(20)	Drawdown of Government Grant funding
New Homes Bonus Ward Members	(16)	Release of prior year underspends as per critieria for election year
	2,022	,

Fees and Charges review

- Officers have reviewed fees & charges in line with the Council's Pricing and Concessions
 policy and Cabinet decisions where relevant. A schedule of proposed charges is included at
 Annexe H6.
- 31. Where charges are statutory and outside the jurisdiction of Council these have not been included, but are available to view on the Councils website.
- 32. Where services are operating in competition with other commercial providers, for example trade waste, the service manager needs to have authority to negotiate as required where it is in the Council's best interests to do so.

Outstanding Issues

- 33. At the time of writing this report, the following issues were outstanding; the updated position will be reported verbally.
 - Confirmation of the Funding settlement for 2019/20
 - Final notifications of the formal precept figures from Essex County Council, Essex Police and Essex Fire.

Risk Analysis

34. The formal risk analysis of the budget is set out in the report earlier on today's agenda, "Robustness of Estimates and Adequacy of Reserves".

Risk	Likelihood	Impact	Mitigating actions
Actual events may differ from the assumptions and estimates used to produce the draft budget, which will lead to variances from the budget.	3 (some risk that variances will occur requiring action to be taken)	2 (potential impact which could adversely affect the Council's financial position if not managed)	Budget monitoring and corrective action taken as necessary.

<u>Definitions</u>	Probability Low - Possible, but unlikely Medium - Probable High - Almost certain
	Impact Low - possible variance of £5,000 to £20,000 Medium - possible variance of £20,001 to £50,000 High - possible variance of over £50,000
	Favourable - expenditure lower than budget, or income higher than budget Adverse - expenditure higher than budget, or income lower than budget

Service	Budget item	Description of key assumptions and/or what variable outcomes may arise	Probability of variance arising (L, M, H)	Favourable Impact (L, M, H)	Adverse Impact (L, M, H)
Description Advis	MHCLG - LCTS Admin Grant	It is assumed that the LCTS Admin Grant will be paid at similar or slightly reduced levels to 2018/19. The notification of grant amounts are unlikely to be made available until early 2019.	L	L	М

	Income from applications	There is a risk that the service will receive fewer applications than expected and would therefore see a reduction in income.	L		М
Building Control	Inspection fee income - airport	Stansted Airport's anticipated expansion project will generate an Inspection fee in the region of £70k which will cover possibly 2 or 3 years of inspections. There will be some increased staffing costs associated with this work.	М	Н	
Dallang Gonto.	Under resourcing	Under resourcing of the service could lead to a reduced service and number of inspections carried out and subsequent loss of income. Possible risk of not meeting statutory requirements and adverse publicity for the council. Due to the nature of some of the work could result in public safety issues.	L		н
	Lower St Car Park	There is a risk to the residential spaces agreement not achieving the estimated budget	L		Н
Car Parks	Rose & Crown Car Park	There is a risk that the new agreement does not deliver what we anticipated	М	L	L
	Maintenance costs	It is assumed that maintenance costs will not be accrued in 2019-20 due to new machines being installed, there is a risk that unforeseen maintenance costs could occur	L		L

Service	Budget item	Description of key assumptions and/or what variable outcomes may arise	Probability of variance arising (L, M, H)	Favourable Impact (L, M, H)	Adverse Impact (L, M, H)
Conducting Elections	Election costs	It is highly likely that election costs will vary from the forecast as the preparation of the budget for an election depends on and element of unknown variables.	Н		М
Corporate Team	Asset Management Consultants	There is a risk that more work on assets is required than estimated, leading to additional costs.	М	L	М
Council Tax Discounts	Government grant	This is based on a calculation of discounts awarded to family annexes, this estimate is based on last years calculation there is a small risk this may change.	L	L	L
P	Penalty and legal fees	These may decrease if less compliance and legal action is undertaken	L	L	L
	Planning fees	It is assumed that planning applications should increase going into 2019-20. There is a risk that the economy could slow down due to general economic uncertainty.	L		Н
Development Control	Pre-Application fees	Potential slight reduction in pre-application fees as low grade matters covered by paid duty. Impact and level still low.	M		L
	Section 106 Monitoring	It is assumed that Section 106 Monitoring will continue to be received at its current rate, spirit of monitoring charges maintained through PPA relationships.	L		L
	Day centres not under direct UDC management	If the council does not continue to have reassurance that insurance responsibilities are being met then this could lead to potential financial costs associated with any liabilities	L	L	М
Day Centres	Day centres under direct UDC management	Income estimates for day centres under direct council management have been estimated based on available data. However, there is a risk that these estimates may not prove to be precise as some financial processes prior to the council taking on the centres may not have been robust.	М	L	L

Service	Budget item	Description of key assumptions and/or what variable outcomes may arise	Probability of variance arising (L, M, H)	Favourable Impact (L, M, H)	Adverse Impact (L, M, H)

Financial Services	Merchant charges	If levels of payments made by credit or debit cards increases over the anticipated level then the merchant charges will increase	M		М
	Treasury Fees	Broker Fees - if cash flow levels are impacted due to higher capital spend; increased borrowing could occur, incurring additional broker fees and interest costs corporately	L		L
Local Council Tax	Council Tax Court Costs	It is assumed that the level of Council Tax recovery will increase or stay the same. The amount of costs awarded are by way of Magistrates Court there is a low probability of our application for costs being refused	L	L	L
New Homes Bonus	Grants	Possibility that budgeted amounts are not realised. 2019/20 is an election year so Members will not be allowed to carry over any unspent grant to the next financial year	М	М	L
Non-Domestic Rates	Court Costs	It is assumed that the level of Business Rate recovery will increase or stay the same. The amount of costs awarded are by way of Magistrates Court there is a low probability of our application for costs being refused	L	L	L
Offices	Office Repairs	There is a risk that the budget estimate could be under or over due to unpredicted repairs that arise during the year.	М	L	М
Private Finance Initiative	Contract costs	If the PFI leisure contract does not provide value for money due to ineffective contract management then there may be a negative impact on the investment made by the council, the opposite effect could be achieved if capacity allows for full management of the contract	L	М	Н

Service	Budget item	Description of key assumptions and/or what variable outcomes may arise	Probability of variance arising (L, M, H)	Favourable Impact (L, M, H)	Adverse Impact (L, M, H)

	Proactive Enforcement	Should growth be permitted, enforcement activities are likely to increase. This is likely to result in more Fixed Penalty Notices being issued and greater income.	М	L	L

Contaminated Land		The Council has a statutory duty to identify contaminated land. Such matters can be complex and involve specialist consultants to test and provide advice	L	L	L
	Border inspection Food inspection	Unpredictability of the numbers and types of consignments coming into Stansted or control any changes to work governed by legislative requirements, i.e. what needs to be sampled and at what % and frequency and the implications and uncertainty of EU Exit	М	L	Н
	Local Plan timetable extending	If the local plan is delayed / extended we will need to keep agency staff for longer. Further evidence base work may also need to be carried out which hasn't been budgeted for.	M	Н	Н
Planning Policy	Local Plan examination	If the Local Plan examination carries on longer than anticipated then there will be a need for additional staff resources and funding to cover additional evidence base asked for by the Inspector	М	Н	Н
