Title:	Application for a Premises Licence Queen Victoria Great Dunmow		
Report Author:	Amanda Turner, Licensing Team Leader aturner@uttlesford.gov.uk		

Summary

1. This report sets out details of an application for a new premises licence in respect of The Queen Victoria, 79 Stortford Road, Great Dunmow. CM6 1DL. Representations have been made by Essex Police in response to this application so therefore this matter has been referred to the Committee for adjudication.
2. The Queen Victoria restaurant is situated on the outskirts of the town of Great Dunmow. A plan showing the location of the premises in the village is attached as Appendix D.
A previous licence has been in place at these premises held by different persons (all of whom were connected in some way) which was revoked by the Licensing & Environmental Health Committee on 11 September 2018. The previous licensees were, like the individual applicant today, directors of Aldbrook Limited, and scrutiny of the records held pertaining thereto at Companies House shows they resigned within 7 days of the licence revocation. There were concerns that the new directors were too closely connected with the former management to constitute a new business.
3. An application for a new premises licence was applied for in September 2018, and this application was refused by the Licensing and Environmental Health Committee on 19 November 2018. The committee were satisfied that the Police had made out their objection and that this application did not relate to a whole new business: and at material times this business has been operated by closely connected persons. It should be noted that the Hadayouth Ahmed Choudhury nominated as DPS in this application has previously been an applicant on one of those occasions.

Situation

6. In accordance with the Licensing Act 2003, where an application is made for a premises licence, an operating schedule must accompany the application. This should demonstrate how the licensing objectives will be met and also outlines what licensable activities are sought. This can be read on the “Schedule of Conditions” appended to the end of the application form (appendix A).
7. The licensable activities being sought on the application are listed below:
 - (J) Supply of Alcohol for consumption on the premises (on the premises)

Monday to Sunday	10:00 to 23:00
------------------	----------------
 - (L) The opening hours of the premises

Monday to Sunday	10:00 to 23:30
------------------	----------------
8. Copies of this application have been served on all of the statutory bodies and this has attracted a representation from Essex Police based on the crime and disorder objective. Details of these representations can be seen at Appendix C.
9. 226 letters have been received from residents supporting the licence application during the consultation period (221 of these letters being identical).
10. In carrying out its statutory function, the Licensing Authority must promote the licensing objectives as set out in the Licensing Act 2003. These are:-
 - a. The prevention of crime and disorder
 - b. Public safety
 - c. The prevention of public nuisance
 - d. The protection of children from harm
11. There is no hierarchy of importance and all must be given equal weight.
12. The decisions that the Committee can make in respect of this application are to
 - Grant the application
 - Modify the application by inserting conditions
 - Reject the whole or part of the application
13. When determining an application due regard should be given to the Council’s licensing policy and the Secretary of State’s Guidance issued in accordance of the Act.
14. The Secretary of State’s Guidance updated in April 2018 includes new and specific guidance in respect of immigration issues.

15 Paragraph 2.6 thereof specifically says the prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities are expressly required to work with Home Office Immigration Enforcement, as well as the police, in respect of these matters.

16 Paragraph 11.26 relates to reviews but it can be taken into consideration determining new applications –

“Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes. Its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime and prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority’s duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of wider community and not those of the individual licence holder”.

17 Paragraph 11.27 states

“There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously for employing a person who is disqualified from that work by reason of their immigration status in the UK.”

18 The relevant sections of the Council’s Licensing Policy state:

3.3 The prevention of crime includes the prevention of immigration crime, and the Licensing Authority will work with Home Office Immigration Enforcement in respect of these matters.

- The promotion of the licensing objective, to prevent crime and disorder, places a responsibility on licence holders to become key partners in achieving this objective. If representations are made to the Licensing Authority **applicants will be expected to demonstrate in their operating schedule that suitable and sufficient measures have been identified and will be implemented and maintained to reduce or prevent crime and disorder on and in the vicinity of their premises, relevant to the individual style and characteristics of their premises and events.**

3.4 When addressing the issue of crime and disorder, the applicant should consider those factors that impact on crime and disorder. These may include:

- Underage drinking

- Drunkenness on premises
- Public drunkenness
- Drugs
- Violent behaviour
- Anti-social behaviour
- Illegal working

▪ Control Measures

▪

- 3.5 The following examples of control measures are given to assist applicants who may need to take account of them in their operating schedule in the event that representations are received, having regard to their particular type of premises and/or activities:

▪

- (a) Effective and responsible management of premises
- (b) Training and supervision of staff
- (c) Adoption of best practice guidance (e.g. Safer Clubbing, the National Alcohol Harm Reduction Strategy Toolkit and other voluntary codes of practice, including those relating to drinks promotions e.g. The Point of Sale Promotions published by BBPA, Security in Design published by BBPA and Drugs and Pubs, published by BBPA)
- (d) Acceptance of accredited 'proof of age' cards e.g. PASS, locally approved 'proof of age' cards e.g. 'Prove It' and/or 'new type' driving licences with photographs or adoption of industry best practice (e.g. Challenge 25 policy)
- (e) Provision of effective CCTV and mirrors in and around premises
- (f) Employment of Security Industry Authority licensed doorstaff
- (g) Provision of toughened or plastic drinking vessels
- (h) Provision of secure, deposit boxes for confiscated items ('sin bins')
- (i) Provision of litterbins and other security measures, such as lighting, outside premises
- (j) Membership of local 'Pubwatch' schemes or similar organisations
- (k) Right to work checks on staff and retention of documents [emphasis added]**

19 If the Committee's decision is to impose conditions, the only conditions that can be imposed are those that are necessary and proportionate to promote the licensing objective relevant to the representations received. Furthermore, the Committee should not impose conditions that duplicate the effect of existing legislation.

20 The Secretary of State's Guidance provides at paragraphs 10.8 and 10.10 the following assistance for members-

10.8 "The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. In

order to promote the crime prevention licensing objective conditions may be included that are aimed at preventing illegal working in licensed premises”.

10.10 “The 2003 Act requires that licensing conditions should be tailored to the size, type, location and characteristics and activities taking place at the premises concerned. Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided. Conditions that are considered appropriate for the prevention of illegal working in premises licensed to sell alcohol or late night refreshment might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check is retained at the licensed premises. Licensing authorities and other responsible authorities should be alive to the indirect costs that can arise because of conditions”.

- 21 If the Committee in their discretion wishes to impose conditions, the only conditions that can be imposed are those that are appropriate and proportionate to promote the licensing objective relevant to the representations received. Equally, the Committee cannot impose conditions that duplicate the effect of existing legislation.

2 = Some risk or impact – action may be necessary.

3 = Significant risk or impact – action required
