Please give a general description of the premises (please read guidance note 1)
Felsted School consists of the Preparatory School and the Senior School. The School has multiple buildings and outside spaces. Please see the attached map showing total external areas and buildings we require to be covered under the license.
Due to the size of the school and nature of activities, it is not always possible to use a single venue for licensed activities. It is rare that two venues are in use at the same time for licensed activities.
The school mainly serves alcohol at dinners and events with no charge. Paid bars are not a regular occurrence, and mainly take place for larger events such as musical showcases, plays, balls and when we have external lettings.
Venues to be licensed are as follows:
1 – Lord Riche Hall. This is the main dining and function venue for Felsted, and currently has its own license. This is attached to the Barbara Karan Auditorium.

2 – The Cromwell Centre. This is a coffee shop during the day, and is a reception / function room outside of these hours. It is often used for refreshments for plays.
 3 – Grignon Hall. This is a versatile room, with retractable seating. Used for talks, plays and functions.
 4 – Hunt Theatre. This also includes the 'lounge' which is known as the Colts Pavilion. This area is used mainly for plays and cricket teas.
 5 – Ross Hall. Located at the Prep School, this is used mainly for plays, talks and functions, and is also a wet weather venue for outdoor events.
 6 – Roed Hall. This is mainly a sports hall, but also a wet weather venue for sports teas and functions.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Please highlight any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children (please read guidance note 9).

Safeguarding children is of utmost importance to Felsted School. The school follows the 'Keeping Children Safe in Education' guidelines, and has been rated excellent in our 2019 ISI inspection.

The school has an alcohol policy to ensure it is supplied safely and appropriately. The school has specific risk assessments for all events, to ensure all aspects of health and safety are considered. This includes any alcohol being served or sold, and the safeguarding of students in these environments. This is not monitored by one person, but is a collective responsibility to ensure all areas are covered.

Operational leads such as the General Services Manager (DPS) and Catering Managers ensure the teams serving alcohol are fully trained, and what to do if a student attempts to obtain alcohol.

Senior academic leaders play an active part in risk assessing and ensuring all staff support safety measures.

Pastoral staff ensure that students safety and wellbeing during events are a priority. Students and visiting children are never left unsupervised if there is alcohol being sold or served.

Communication is key to ensure we continue to deliver these activities safely. Common areas for students such as common rooms and boarding houses will not be licensed.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The school is committed to upholding the four licensing objectives, and will ensure that all necessary training, policies and procedures are in place to effectively manage the licensed activities. Felsted would never allow itself to be in a position that would breach any of these objectives, or the reputation of the school.

b) The prevention of crime and disorder

The school runs few external events that would hold licensed activities. Therefore, the majority of attendees are known to us. The school has an alcohol policy, covering all aspects including underage drinking.
The DPS will conduct regular training with all staff associated with the license, to ensure procedures such as Challenge 21 are embedded and upheld.
The school also has on site security during the evenings, and additional security is requested as required to ensure the safety of all concerned at specific events and times.
The site also has CCTV cameras in operation.

c) Public safety

Each event within the school is risk assessed to ensure all health and safety requirements are met, including safeguarding, capacity, means of escape, additional equipment etc.
Security and CCTV are on site as above, and we have an onsite Security, Health, Environment and Fire Officer who conducts regular health and safety checks/reviews/meetings to ensure all areas of concern are dealt with swiftly.
As the school site is large with multiple buildings, each event and building are assessed individually as there are many variables to consider.
As the day to day operation is a school environment, safety is paramount. All staff receive regular and refresher health and safety and fire training, alongside department specific training.

d) The prevention of public nuisance

The school has strong local connections and a positive relationship with the community, and takes precautions to minimise any disruptions. For any temporary event that may cause nuisance (for example, the annual Leavers Ball) local residents will be informed in advance. Any external bookings are told in advance the restrictions of time for licensed activities. All restrictions to licensed activities are upheld by the school to ensure the prevention of public nuisance.

e) The protection of children from harm

The school places the safeguarding of children with utmost priority. Every member of staff within Felsted has an advanced DBS check prior to working unsupervised (always within the first few weeks of employment) and all receive child protection training. No adult entertainment or drugs are permitted on the premises. If the school is hosting a large external event with members of the public (for example a wedding) this will mainly take place outside of school term to minimise the risk of interaction with children. Children (non-pupils) are not to be left unsupervised.
