

North Essex Economic Strategy Motion for Council: 25 February

This Council notes the North Essex Economic Strategy (NEES), but requests Cabinet to pause further work on the NEES pending detailed further clarification of;

- a. the economic benefits that the NEES will bring to Uttlesford.
- b. the role of Uttlesford within this strategy given our proximity to Cambridge and the knowledge based economy centred there.
- c. the opportunities for deeper cooperation and coordination with the local authorities, including the Mayoralty, of the Cambridge sub region.
