9. The Strategy sets out
 - i. 6 key messages in relation to engagement on the Local Plan;
 - ii. Principles of engagement based on the Consultation Institute's best practice;
 - iii. How we will work with meeting our duty to cooperate and how we will engage with particular groups;

 - vii. "Let's Talk About ..." An extended period of discussion on themes using a wide range of online methods as well as the potential for displays and exhibitions in 'safe spaces'. On conclusion the Council will produce a report setting out the process and activities undertaken, the views expressed, its conclusions on the issues in the light of these views and how they will be reflected in the Draft Local Plan (Regulation 18).

- viii. Draft Local Plan (Regulation 18) where the purpose of the engagement is to test the initial draft strategies and policies. Engagement will need to communicate the Plan's vision, the big picture as well as how it effects daily lives and the rational for the strategy and policies. Engagement will be through the Local Plan portal, workshops/focus groups and the website.
- ix. Published Local Plan (Regulation 19) which is the plan the Council wish to submit to the Secretary of State and engagement will be through the consultation portal
