

# Complaints Self-Assessment Form

This self-assessment form should be completed by the complaints officer and discussed at the landlord's governing body annually.

Evidence should be included to support all statements with additional commentary as necessary.

Explanations must also be provided where a mandatory 'must' requirement is not met to set out the rationale for the alternative approach adopted and why this delivers a better outcome.

## Section 1 - Definition of a complaint

### Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the organisation, its own staff, or those acting on its behalf, affecting an individual resident or group of residents.'</i>	Yes	Published on website: <a href="https://www.uttlesford.gov.uk/article/7939/Complaints-compliments-and-feedback-on-housing-repairs">https://www.uttlesford.gov.uk/article/7939/Complaints-compliments-and-feedback-on-housing-repairs</a>  Corporate complaints policy will need to be changed to recognise the Independent Housing Ombudsman Scheme (IHOS) Complaints Code and definition.
1.3	The resident does not have to use the word 'complaint' for it to be treated as such. A complaint that is submitted via a third party or representative must still be handled in line with the landlord's complaints policy.	Yes	With tenant's consent we have in the past and will continue to accept legitimate third-party representation.
1.6	... if further enquiries are needed to resolve the matter, or if the resident requests it, the issue must be logged as a complaint.	Partial	This matter will be covered in training to ensure complaints are dealt with in this way.
1.7	A landlord must accept a complaint unless there is a valid reason not to do so.	Yes	We will treat any matter as a complaint if it falls within the definition of 1.2. unless the complaint is considered to be: <a href="#">Abusive, persistent or vexatious complaints policy - Uttlesford District Council</a>

1.8	A complaints policy must clearly set out the circumstances in which a matter will not be considered, and these circumstances should be fair and reasonable to residents.	Yes	<a href="https://www.uttlesford.gov.uk/article/7939/Complaints-compliments-and-feedback-on-housing-repairs">https://www.uttlesford.gov.uk/article/7939/Complaints-compliments-and-feedback-on-housing-repairs</a>
1.9	If a landlord decides not to accept a complaint, a detailed explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman.	Yes	No examples of this to date.

### Best practice 'should' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
1.4	Landlords should recognise the difference between a <b>service request</b> , where a resident may be unhappy with a <b>situation</b> that they wish to have rectified, and a <b>complaint</b> about the <b>service</b> they have/have not received.	Yes	It is stated in the complaints policy.
1.5	Survey feedback may not necessarily need to be treated as a complaint, though, where possible, the person completing the survey should be made aware of how they can pursue their dissatisfaction as a complaint if they wish to.	No	We will be incorporating in, in all surveys including the next tenant satisfaction survey featuring the new Tenant Satisfaction Measures.

## Section 2 - Accessibility and awareness

### Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
2.1	Landlords must make it easy for residents to complain by providing different channels through which residents can make a complaint such as in person, over the telephone, in writing, by email and digitally. While the Ombudsman recognises that it may not be feasible for a landlord to use all of the potential channels, there must be more than one route of access into the complaints system.	Yes	Tenants can complain face to face, with an online form via website, complain by phone, email or write a letter. Sheltered tenants can use feedback boxes in the schemes (this assists residents who work or don't have daily visits) or directly to their Sheltered Housing Officer.  Complaints are also accepted via social media, through a Councillor, Tenant and Leaseholder rep, MP or other recognised third party with tenant's consent.
2.3	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the number of stages involved, what will happen at each stage and the timeframes for responding.	Yes	Website and leaflet, tenant panel has reviewed the complaints page on the website.
2.4	Landlord websites, if they exist, must include information on how to raise a complaint. The complaints policy and process must be easy to find on the website.	Partial	<a href="https://www.uttlesford.gov.uk/article/7939/Complaints-compliments-and-feedback-on-housing-repairs">https://www.uttlesford.gov.uk/article/7939/Complaints-compliments-and-feedback-on-housing-repairs</a> The Corporate complaints policy will need to change to recognise the Independent Housing Ombudsman Scheme (IHOS) Complaints Code and definition.
2.5	Landlords must comply with the Equality Act 2010 and may need to adapt normal policies, procedures, or processes to accommodate an individual's needs. Landlords must satisfy themselves that their policy sets out how they will respond to reasonable adjustments requests in line with the Equality Act and that complaints handlers have had appropriate training to deal with such requests.	Partial	Uttlesford District Council believes that no person should be treated unfairly and is committed to eliminate all forms of discrimination. We do this by complying with our <a href="#">Equality Policy (PDF) [1MB]</a> which sets out the council's aims and objectives for treating everyone equally.  The council's approach to Equality Impact Assessments is being reviewed by the Communities team.

<b>2.6</b>	Landlords must publicise the complaints policy and process, the Complaint Handling Code and the Housing Ombudsman Scheme in leaflets, posters, newsletters, online and as part of regular correspondence with residents.	Yes	Housing News – will signpost to complaints policy and process, complaints handling code and the Housing ombudsman scheme in every issue paper and virtual, website and add leaflet to the annual rent changes letter.
<b>2.7</b>	Landlords must provide residents with contact information for the Ombudsman as part of its regular correspondence with residents. We will also include information regularly in the Tenants Housing newsletter starting from October 2022 edition.

<b>2.2</b>	Where a landlord has set up channels to communicate with its residents via social media, then it should expect to receive complaints via those channels. Policies should contain details of the steps that will be taken when a complaint is received via social media and how confidentiality and privacy will be maintained.	Partial	The complaints policy will need to be reviewed in the light of this code requirement. We encourage tenants to directly message e.g. email or letter as this is a more confidential method of communicating.

### Section 3 - Complaint handling personnel

#### Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
3.1	Landlords must have a person or team assigned to take responsibility for complaint handling to ensure complaints receive the necessary attention, and that these are reported to the governing body. This Code will refer to that person or team as the "complaints officer".	Yes	We do not have an officer who is dedicated to complaints as we have limited staff resources. However we do have an officer who oversees the complaints process. Resources will be reviewed with a view to ensuring full compliance with the IHOS Complaints code.

## Section 4 - Complaint handling principles

### Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
4.1	Any decision to try and resolve a concern must be taken in agreement with the resident and a landlord's audit trail/records should be able to demonstrate this. Landlords must ensure that efforts to resolve a resident's concerns do not obstruct access to the complaints procedure or result in any unreasonable delay. It is not appropriate to have extra named stages (such as 'stage 0' or 'pre-complaint stage') as this causes unnecessary confusion for residents. When a complaint is made, it must be acknowledged and logged at stage one of the complaints procedure <b>within five days of receipt</b> .	Partial	Two stage process – see website. This will need to be quality assured by a suitably qualified and empowered complaints lead and will form part of the resources review and training objectives. We will also consider in the review of the complaints policy.
4.2	Within the complaint acknowledgement, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. If any aspect of the complaint is unclear, the resident must be asked for clarification and the full definition agreed between both parties.	Partial	Template letter has been updated incorporating this requirement awaiting Senior Management sign off.
4.6	A complaint investigation must be conducted in an impartial manner.	Partial	We will use case studies as part of the training to highlight the need for impartiality. There is a need to integrate Uttlesford Norse complaints practice into the corporate policy and for a system of assurance to be put in place.

4.7	<p>The complaint handler must:</p> <ul style="list-style-type: none"> <li>• deal with complaints on their merits</li> <li>• act independently and have an open mind</li> <li>• take measures to address any actual or perceived conflict of interest</li> <li>• consider all information and evidence carefully</li> <li>• keep the complaint confidential as far as possible, with information only disclosed if necessary to properly investigate the matter.</li> </ul>	Partial	<p>Should a conflict of interest arise the complaint will be passed to another member of the team.</p> <p>We will undertake to train all complaint handlers in quality complaint resolution by the end of 2022.</p>
4.11	Landlords must adhere to any reasonable arrangements agreed with residents in terms of frequency and method of communication.	Partial	This requirement will also be included in training and review of corporate policy.

<b>4.12</b>	<p>The resident, and if applicable any staff member who is the subject of the complaint, must also be given a fair chance to:</p> <ul style="list-style-type: none"> <li>• set out their position</li> <li>• comment on any adverse findings before a final decision is made.</li> </ul>	Yes	The complaint handler or an appropriate line management would listen to both parties before concluding any findings. This will be reinforced in training.
<b>4.13</b>	A landlord must include in its complaints policy its timescales for a resident to request escalation of a complaint.	Yes	Included in the policy.
<b>4.14</b>	A landlord must not unreasonably refuse to escalate a complaint through all stages of the complaints procedure and must have clear and valid reasons for taking that course of action. Reasons for declining to escalate a complaint must be clearly set out in a landlord's complaints policy and must be the same as the reasons for not accepting a complaint.	Yes	<p>This requirement will be considered in both training and as part of the review of complaints policy. We consider through the monitoring of complaints that we comply with this requirement. There is a need to ensure that if a complaint is refused escalation that the reasons why are clearly and reasonably specified.</p> <p>Also see: Abusive, persistent or vexatious complaints policy - Uttlesford District Council</p>
<b>4.15</b>	A full record must be kept of the complaint, any review and the outcomes at each stage. This must include the original complaint and the date received, all correspondence with the resident, correspondence with other parties and any reports or surveys prepared.	Yes	Recorded on the house file and on the complaints spreadsheet.
<b>4.18</b>	Landlords must have policies and procedures in place for managing unacceptable behaviour from residents and/or their representatives when pursuing a complaint.	Yes	<a href="#">Abusive, persistent or vexatious complaints policy - Uttlesford District Council</a>

### Best practice 'should' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
4.3	Landlords should manage residents' expectations from the outset, being clear where a desired outcome is unreasonable or unrealistic.	Yes	Complaints handlers are comfortable feeding back to residents when the request is unreasonable or unrealistic.
4.4	A complaint should be resolved at the earliest possible opportunity, having assessed what evidence is needed to fully consider the issues, what outcome would resolve the matter for the resident and whether there are any urgent actions required.	Yes	It is the responsibility of the officer dealing with the complaint to assess if it can be resolved quickly or urgent actions are required. This best practice will also be included in the review of the corporate policy.
4.5	Landlords should give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord where this is reasonable.	Yes	This is accepted as long as clear consent has been provided and will be considered for inclusion in the review of policy.

Yes	The obligations contained within the tenancy agreement will be referred to as necessary with advice from the Legal team where appropriate.
4.9	Communication with the resident should not generally identify individual members of staff or contractors.	No	To be reviewed and covered in training.

<b>4.16</b>	Landlords should seek feedback from residents in relation to the landlord's complaint handling as part of the drive to encourage a positive complaint and learning culture.	Yes	The Tenants Panel and another group of tenants will be given a selection of anonymised complaints to look at the way in which it was handled to give their feedback on results.
<b>4.17</b>	Landlords should recognise the impact that being complained about can have on future service delivery. Landlords should ensure that staff are supported and engaged in the complaints process, including the learning that can be gained	Yes	Team members will have input into complaints in their area in terms of the response and lesson learned from outcomes.
<b>4.19</b>	Any restrictions placed on a resident's contact due to unacceptable behaviour should be appropriate to their needs and should demonstrate regard for the provisions of the Equality Act 2010.
