GRANT ALLOCATION POLICY

POLICY STATEMENT

- Uttlesford District Council will offer grant funding to support local charities, voluntary organisations, clubs and individuals for the benefit of the Uttlesford community. Grants will be awarded in a fair and transparent manner and will support the delivery of the council's corporate objectives.

INTRODUCTION

- Uttlesford District Council recognises the value of voluntary and community activities and their contribution to residents' well-being, the local economy, and the sustainability of a wide range of services which benefit people living, working and visiting the district. The council is not statutorily obliged to provide grant support but does so as it recognises the diversity and individuality of community organisations and the contribution they make in improving quality of life for many residents.
- The council supports these community activities through the identification and allocation of grants which are managed by a number of grant schemes. The key aims of allocating grants are:
 - To provide financial support to help widen the provision of facilities and services which directly benefit and enhance the local community
 - To help support and address key community issues
 - To promote and strengthen volunteering and voluntary endeavour
- This policy outlines the types of grants available and the rules of each scheme including who can apply, assessment of applications and any monitoring controls. This includes any one-off grants, including larger grants, made available to the community.
- Any grant over the value of £50,000 will be subject to a Service Level Agreement.
- Funding will only be considered if applicants can demonstrate how their work will contribute towards the council meeting its corporate priorities which are set out below.
 - Putting residents first
 - Active place maker for our Towns and Villages
 - Progressive custodian of our rural environment
 - Champion for our District

Type of Grant available

This policy covers the grant schemes administered by the Communities department for which applicants need to complete an application.

Grant Criteria

Voluntary Organisation Support Grant

- The council's largest budgetary commitment for grants is the Voluntary Organisation Support Grants scheme. Applications are made by registered charities who work within the district outlining their funding requirements for a one-year period (April to March). Applications are reviewed to ensure specific criteria will be met before being recommended by the Committee of the Cabinet for approval at Cabinet.
- Formal feedback on the outcomes achieved by each organisation (in whole or part) through the grant is submitted within an agreed timescale (three times a year). Discussions between the organisation, Communities, Health and Well-being Manager and Community Development Officer take place periodically throughout the year.
- The organisations receiving the grants are invited to update a Committee of Cabinet Members, acting as an Awards Panel, regarding achievement of their funding objectives at the end of each financial year during the grant period (January). There is no funding limit set for individual applications.

Community Project Grant

- The Community Project Grant Scheme is for planned projects within the community such as the development of land for recreational purposes, children's play areas, refurbishment of facilities. - An organisation may apply more than once, however, if successful further funding will not be given to the same project in the same financial year (April to March).
