Title: Quality of Major Applications

Author: Dean Hermitage

**Purpose** 

1. To report to Planning Committee the applications that have been considered both as Delegated and at Planning Committee which contribute to the data considered by DHLUC as to whether a Local Planning Authority falls within the criteria to be designated.

- 2. There are four criteria where a Local Planning Authority may be designated Quality Major; Quality Speed; Quality Non-Major and Speed Non-Major.
- 3. This report specifically considers the Quality of Major Applications and covers the period 2017 2023. The Quality of Major Applications is for decisions made within a two-year period with appeal decisions up to and including the 31 December of the two-year period.
- **4.** Therefore, the periods covered in this report are as follows:
  - April 2017 March 2019 (appeal decisions made by 31/12/2019)
  - April 2018 March 2020 (appeal decisions made by 31/12/2020)
  - April 2019 March 2021 (appeal decisions made by 31/12/2021)
  - April 2020 March 2022 (appeal decisions made by 31/12/2022)
  - April 2021 March 2023 (appeal decisions made by 31/12/2023)
- 5. The Planning Advisory Service provided each Local Authority with a 'Crystal Ball' (basically a spreadsheet) where the data can be added each month/quarter to monitor whether there is any risk of designation.
- 6. Below shows the periods 2017 2019; 2018 2020 and 2019 2021 annually with the overall two-year period % as per the DHLUC monitoring periods.

**9.** Appendix 1 shows the breakdown of the applications including the reference number, whether considered at committee or delegated, the officer recommendation along with the decision, appeal decision and the date of the appeal decision – for the current period.

The date of the appeal decision is a key factor - if it is after 31 December at the end of the 2-year period then it is not included in that round of monitoring by DHLUC.
