<p>I want to make a representation under the prevention of public nuisance</p>	<p>Yes</p>
<p>If you are making a representation under the prevention of public nuisance, please state why.</p>	<p>As per previous correspondence with environmental health, this new business is having a detrimental effect to my family, due to noise levels (music levels and vocals of customers) resonating through our building when they are open. On top of this, disruption to sleep from people being noisy outside when arriving / leaving and when customers smoke outside the premises it drifts into the children's bedroom, which will only get worse throughout summer months with windows open. With news of a planned extension I can only fear this environment will worsen and cause further upset to family life.</p>

<p>Comments</p>	
<p>Your may give any additional positive or negative comments about the application, below but they will not be considered by the committee</p>	<p>As per previous correspondence to the team at Uttlesford DC. The detrimental impact this business has to my family due to ongoing noise levels in my property has not been thought through upon giving licence to such premises which are essentially attached in a warehouse. I also have safety fears due to the locality of the establishment.</p>
