If you are making a representation under the prevention of public nuisance, please state why.	Under the current licence arrangements where drinks / food are only allowed to be served internally there has already been a number of complaints of noise late at night. the relaxation of only recently included restrictions on external usage will inevitably lead to significant increases in noise levels and general disruption to myself at 17b. My flat is the second floor of the building used by this company.

Comments	
Your may give any additional positive or negative comments about the application, below but they will not be considered by the committee	I trust that previous noise complaints will be looked at when deciding this application. I also note that there is a significant increase in illegal parking on Church Street during opening hours which, in turn, causes traffic issues for the entire street.
