Dear Ronan,

Thank you for speaking with me in relation to our application for a premises licence. I accept your proposal to keep a log of incidents in the shop involving alcohol, criminality, accidents etc. We will keep a log in our shop diary.

I have also amended our licence plan in line with your suggestion. This is marked in yellow on the attachment.

This will restrict sale of alcohol to within the shop - which is in any case where the overwhelming proportion sales take place.

I understand from your advice that this doesn't prevent people from drinking alcohol outside in the shop yard but from paying for it outside.

It also means we won't perform music outside. Aside from our first day of opening we haven't performed live music outside.

Please confirm you will now share this with the licensing authority?

Very many thanks
