<b>If you are making a representation under the prevention of public nuisance, please state why.</b>	Rumblebees are applying for a live music / alcohol licence 10am - 10pm seven days a week. The bookshop has residential properties both either side and above. The volume of music from live events that have already taken place cannot be over estimated. Neighbours are already experiencing a great deal of distress about current events that are massively affecting the amenity of their homes. The PC have seen / heard video footage demonstrating a completely unacceptable volume that invades the adjacent homes. This premises should not be allowed to have live music and certainly not for 12 hours a day 7 days a week. The level of anxiety that this would cause for residents potentially exposed to deafening music all day everyday and the affect on their mental health would be totally unacceptable.
