4 VOLUNTARY ORGANISATION SUPPORT GRANT APPLICATIONS

Each application was considered in turn. The Chair confirmed that £310,000 was available for distribution, the same figure as the previous year. She said that it was unfortunate that there was a limited budget to support the amazing volunteer work being undertaken throughout the district.

Uttlesford Community Travel also submitted an additional request for £17,000 for vehicle replacement from another grant.

Members made the following additional comments:

- Carers First had received no funds due to their application being received after the deadline had expired.
- St Clare West Essex Hospice Care Trust had received no funds as they were currently well funded, particularly for the activity applied for this year. Their accounts had demonstrated that there were funds ring-fenced for the activity that funding was applied for.
- Future applications would be asked to provide longer term plans for a three year period to enable increased stability over the funded period.
- The Leader encouraged residents to become members of Uttlesford Community Travel.

All bodies were thanked for their submissions and members of the public were encouraged to support these groups moving forward.

Officers were thanked for their contributions.

Meeting Closed 3.31pm
