Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We are committed to promoting all four licensing objectives, which are fundamental to the responsible operation of our premises. To achieve this, we will implement the following measures:

CCTV Surveillance: We will install and maintain a CCTV system on the premises to monitor and deter any criminal activities. This will enhance security and contribute to the prevention of crime and disorder (objective b).

Trained Staff: Our staff will undergo comprehensive training in responsible alcohol service and conflict resolution. This will ensure that they are well-equipped to handle any situations that may arise and will contribute to public safety (objective c).

Noise Control: We will implement noise control measures to prevent public nuisance (objective d). This includes soundproofing the premises to minimise noise disturbances to neighbouring properties.

Age Verification: Strict age verification procedures will be in place to prevent underage access to the premises, including the sale of age-restricted products. This will contribute to the protection of children from harm (objective e).

b) The prevention of crime and disorder

To specifically address the prevention of crime and disorder, we will:

Cooperate with local law enforcement agencies and share relevant information to prevent criminal activities.

Maintain a zero-tolerance policy for disorderly conduct and engage in responsible alcohol service.

c) Public safety

Conduct regular safety inspections to identify and rectify any potential hazards.

Provide clear exit routes and fire safety measures.

Collaborate with local emergency services to ensure a rapid response in case of any incidents.

d) The prevention of public nuisance

To prevent public nuisance, we will:

Monitor noise levels within and around the premises to ensure compliance with local regulations.
Address any complaints promptly and take appropriate action to mitigate disturbances.
Regularly review and update our noise control measures.

e) The protection of children from harm

To protect children from harm, we will:

Clearly display age-restricted product signage.
Train our staff to verify the age of customers when purchasing age-restricted products.
Implement strict policies to prevent minors from accessing the premises.
Promote and maintain a safe and family-friendly environment.

14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
 - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
 - does not have the right to live and work in the UK; or
 - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
