Considering that the primary clientele of Mini Swimming is comprised of parents driving their babies and children to swimming lessons, the prospect of alcohol consumption raises significant safety concerns.</p> <p>None of the parents driving their young ones to and from swimming lessons should need alcohol, and it is essential to recognize the legal implications associated with consuming alcohol before operating a vehicle. Granting an alcohol license to Mini Swimming may inadvertently encourage unsafe practices and put the well-being of the children at risk.</p> <p>Moreover, the potential combination of alcohol consumption and driving could compromise the safety of the roads in our small village, creating a hazardous situation for both pedestrians and drivers. I urge the Council to consider these factors when evaluating the overall impact of the alcohol license application.</p> <p>In light of these concerns, I respectfully request that the Council take into account the potential risks to the safety of children attending Mini Swimming and their families, especially considering the legal obligations related to alcohol consumption and driving.</p>
