Do you want to make a representation under public safety?	
I want to make a representation under public safety	Yes
If you are making a representation	<p>The swimming pool business that is run at the Little Barn has been very successful with many attendees for which I am very pleased for the owners. With the number of attendees it does mean the traffic travelling through Mill End and Park Road has increased a lot. On a number of occasions I have seen near accidents between cars who have been at Little Barn. IF alcohol becomes available even if people are within the legal limit I believe this could</p>

under public safety, please state why.	increase the danger to the public. Given there are not many pavements on Mill End and none on Park Road this could increase risk especially to dog walkers.

Do you want to make a representation under the prevention of public nuisance?

I want to make a representation under the prevention of public nuisance	Yes
--	-----

If you are making a representation under the prevention of public nuisance, please state why.	As stated above I think the growth of the business in the the Barn has been very impressive, particularly with the swimming pool. Pretty much the whole plot has been developed into an entertainment area with the pool, animals, children play area and picnic tables etc. My concern is that allowing alcohol sales will only encourage increased noise etc and I am concerned that then parties could be encouraged which will disturb the neighbouring properties with noise etc.

Do you want to make a representation under the protection of children from harm?
