I want to make a representation under the prevention of public nuisance	Yes
If you are making a representation under the prevention of public nuisance, please state why.	This is a rural residential location. The application is by a children's swim school with no need to offer parents with children having driven to the location alcohol. A licence can only mean an expansion of the business to pool parties and similar events which are not in keeping with a residential property in a quiet location which will lead to public disturbance, noise pollution potential for drink drivers due to zero public transport to the location.

Comments	
Your may give any additional positive or negative comments about the application but they will not be considered by the committee	This is a residential property with a pool which has been turned into a worth while business teaching children to swim... to allow a licence to this means an expansion of the business. Which really in not in keeping with its location and surrounding.
