*UDC performance in green is good and red means that we exceeded the maximum %. *To note there are decisions and appeal decisions outstanding and this data may change. **Subject to change*

! – to note - DLHUC updated the Live Table data and it showed UDC at 9.7%. We have been reporting 13.5%. A discussion has taken place between UDC and DLUHC. Appeal decisions on S73 applications are not included. UDC had also been including 2 additional appeals not included by DLUHC – 1 was lodged Jan 2021 and therefore not included in this 2 year period and the 2nd was allowed and should be included in the figure. This would bring the UDC figure to approx. 11% but waiting for the actual figure from DLUHC.
