Risk Analysis

10.

Risk	Likelihood	Impact	Mitigating actions
The issues highlighted in the internal audit reports are not acted upon	1 Action is already being taken towards the implementation of the recommendations contained in the reports	2 There would be varying levels of impact from non-implementation of recommendations given the significance of the control risks identified.	Internal audit reports are followed up to ensure compliance. There are escalation procedures in the event of non compliance

- 1 = Little or no risk or impact
- 2 = Some risk or impact – action may be necessary.
- 3 = Significant risk or impact – action required
- 4 = Near certainty of risk occurring, catastrophic effect or failure of project.
