Essex Police raise representation against the grant of this licence under the prevention of crime and disorder objective within the licensing act. 2003.

The applicant for this licence is Aldbrook LTD, the same company previously holding a licence for the same premises, revoked at hearing.

Companies House shows that a new director has been appointed to the company, Shawket Karim Chowshury. Shawket Karim Chowdhury is also linked to another business (as co director), Comfort Transport (UK) LTD. The other co director is Hadayouth Chowdhury who was a previous applicant for the transfer of the previous licence (rejected at hearing) demonstrating a clear link to existing owners/

mangement.

There is no suggestion the company has been sold or that the management control has changed, therefore there is significant scope to suggest the crime and disorder (namely potential for illegal working) objective will be engaged.
